

Villa Bahia

Region: Amalfi Coast **Sleeps:** 8

Overview

If you long for a room with a view, Villa Bahia will not disappoint. Positioned on a hillside above the Bay of Naples, this pretty terracotta-hued villa benefits from panoramic sea views, and lots of lovely outdoor spaces from which to enjoy them.

Just 2km away from Sant'Agata Sui Due Golfi village, you'll discover even more beautiful panoramic vistas of the sea with surrounding hills, but also restaurants, shops, bars and a supermarket for all your holiday needs. Villa Bahia is perfectly located for a relaxing family break.

Set over two floors, the villa is home to four bedrooms. Spacious and inviting, you'll instantly feel at home and with two of the rooms featuring terraces and others en-suite bathrooms, so take your pick. There's something for everyone.

Enter the living spaces and you'll find an authentic living room complete with wooden-beamed ceilings and sea views.

Then there's the bright, airy kitchen with lunch table leading out onto another terrace with more *al fresco* dining options - plenty of room for a large group of people. And what's even better...from the terrace, another sea view - this time with Capri Island in sight. What a wonderful way to enjoy your morning coffee or sundowner.

Visiting with family? You're about to win instant brownie points with the kids. Lovely gardens surround the distinctive pool, meaning hours of fun. And for you, there really is nothing more invigorating than walking down those Roman steps into the cool waters to soak up those views out to the open sea. Bliss...

Time for some lunch? Head over to the terrace set up with

a barbecue, pizza oven and chairs. Partially shaded, you may want to seek shade from that hot Italian sun... or not! A stay at Villa Bahia wouldn't be complete without taking some time out to appreciate the countless roses from the traditional stone bench. Just off the terrace, down a few stairs, it's the perfect place to go and enjoy your book with maybe a little tipple of your choice.

It's a lovely private villa, and the location fantastic. With day trips out to the nearby islands, the ravishing towns of Positano, Sorrento and Amalfi nearby and epic historic sites such as Pompeii - it really is all there for the taking!

Location & Local Information

Looking for a view that demands attention? Vistas that are postcard perfection? You're in luck as there's plenty of them in Campania - the stretch of coastline along the Tyrrhenian Sea in southern Italy.

Pastel-hued villages cling to cliffs, spectacular panoramas of sun-dappled seas are ubiquitous, decadent palaces and beautiful lemon groves for which the region is renowned. It's an eye-popping region, that's for sure.

So, take your time in ambling around Sorrento's Baroque and Renaissance centre, shop for Limoncello or the iconic lemon-motif ceramics, dine at one of the many delightful restaurants and bars, visit a Romanesque Church or just relax, soaking up the seductive coastal atmosphere. For a real show-stopper, why not head on over to the Amalfi Coast. As you navigate *the road of a thousand bends* - surely one of the most picturesque drives you'll experience, discover pretty Positano with its majolica-tiled church and winding streets bursting with shops and cafes, romantic Ravello producing magnificent mountaintop views and Amalfi with its cluster of whitewashed buildings and lovely piazzas.

Or, for all the culture vultures, why not head to Pompeii or Herculaneum for the day to visit the perfectly-preserved cities engulfed by volcanic ashes when Mount Vesuvius erupted. An epic sight, and the tours are truly fantastic. Romantic, seductive and cinematic, a trip to this stunning region is one you'll be telling all your friends about for years to come...
