Location & Local Information

Tamariu forms part of the municipality of Palafrugell, along with its near neighbours, the larger town of Llafranc, and Calella. One of the most charming and unspoilt stretches of the Spanish coast, the area has not fallen victim to over-development, meaning its charm and character has largely been retained.

According to the British Telegraph newspaper, the beach at Tamariu ranks as one of the best beaches on the Costa Brava. Embraced by pine-clad headlands, the horseshoe-shaped beach is very pretty, family-friendly and sheltered.

Just behind the beach is the pedestrian promenade, where there are some cafes, restaurants and beach gear shops. Parents can happily while away a little time in the shade, sipping whatever they fancy, with their children, only yards away from them, play safely on the sand.

It probably won't be the first time you've heard of it, in this neck of the woods, but Tamariu was originally a small fishing village. It has definitely retained some of its charm and identity, and its beautiful south facing sandy bay offers a romantic destination for lovers. It's also a good choice for families seeking a quieter Costa Brava resort.

The activity in the village will peak in August, but as yet there aren't any English bars or breakfasts. Neither are their high-rise hotels on the landscape, only a blend of greens, blues and sandy shades with pretty whitewashed buildings in the foreground.
