Villa Dinara

Region: Omis **Sleeps:** 6

Overview

Stunning Villa Dinara offers fine views of Croatia's attractive Dalmatian Coast. Located close to a pretty pebble beach in Mimice, this contemporary villa features an irresistible waterfront terrace and pool.

Lined with a large glass wall, the living area leads directly to the sun deck with the ocean beyond, where you can sit or lounge for hours admiring the Adriatic Sea. Step inside and you will find a dining area for six, and a fully equipped modern kitchen including a dishwasher, coffee machine and all the cookware you could need.

Villa Dinara has three bedrooms, two of which are upstairs and have their own terrace with furniture. All three bedrooms have an en-suite and double bed, making this villa perfect for up to six guests.

A notable design feature of Villa Dinara is the use of glass walls to reveal its backdrop of rugged cliffs - this eye-catching view can be enjoyed from the kitchen and living area, and contrasts effectively with the newly built modern interior.

Mimice is a pretty coastal village located close to the towering Dinara mountain which borders Croatia and Bosnia and Herzegovina. A relaxing place, it is known for two popular beaches with quiet bars and restaurants nearby, and offers great opportunities for water-sports such as water-skiing, canoeing and surfing. On-land activities including climbing, cycling and golf are also popular, and the region's stunning scenery only makes them all the more pleasurable.

Larger towns Omiš and Makarska make for great excursions in opposite directions further along the coast, offering the opportunity to discover more about Croatia's

rich history and heritage. Omiš is packed with restaurants and hosts regular cultural events, while the popular Riviera town of Makarska, at the foot of Biokovo mountain, is known for its picturesque waterfront and beautiful natural surroundings.

Location & Local Information

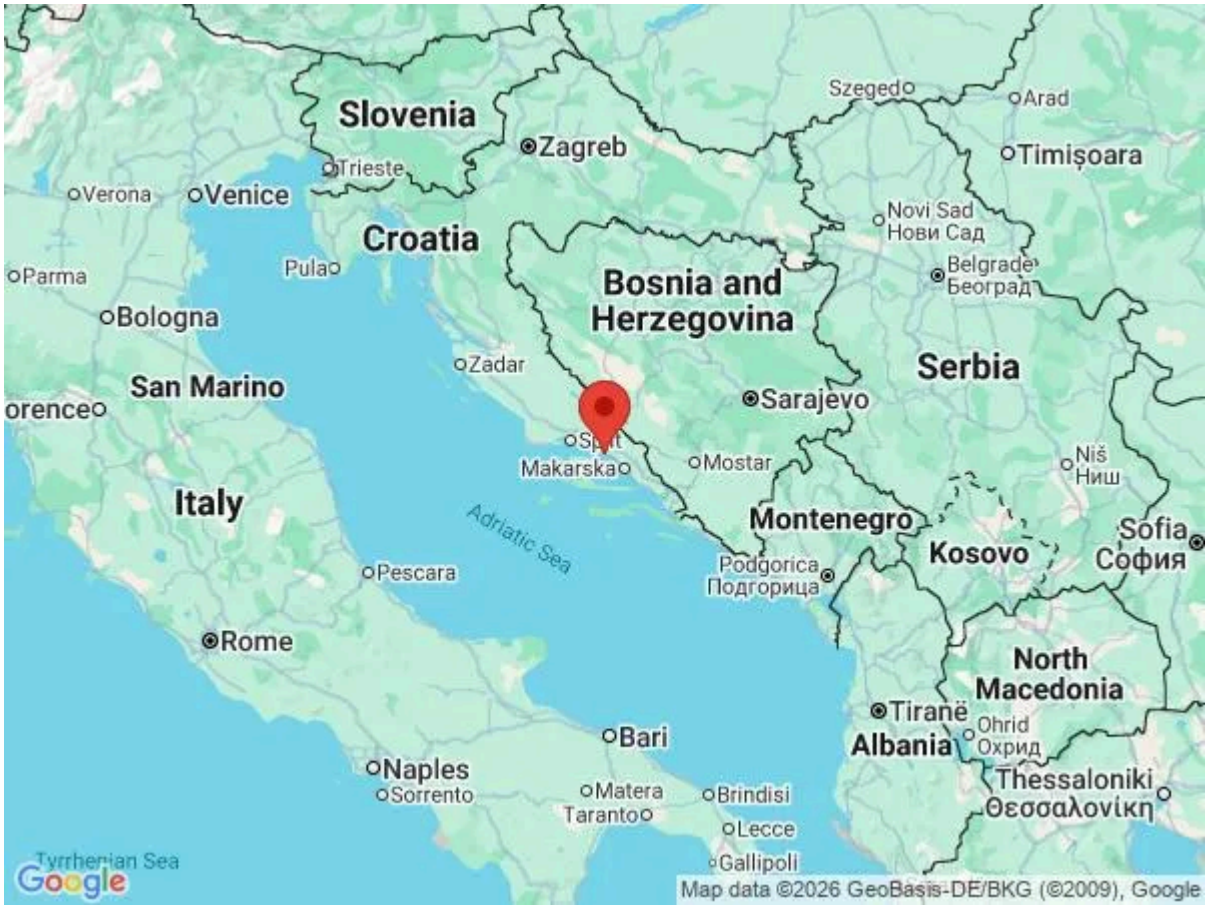

Mimice is a quiet village on Croatia's Dalmatian coast, the perfect place for a serene getaway. Just 12km from the larger town of Omiš, it has incredible gravel and sandy beaches and enjoys its proximity to the mountainous region of Dinara.

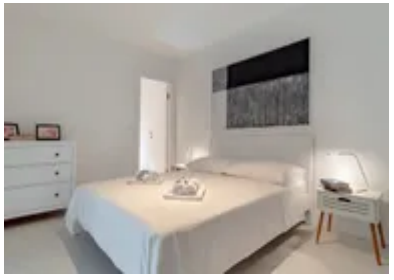

The chilled-out atmosphere of Mimice makes it a real pleasure to linger around its historic Old Town, which dates back more than three centuries. You will find a small number of bars and taverns both here and by the beaches, which offer freshly cooked fish and other traditional Croatian dishes, as well as locally produced wine.

The peace and quiet is perhaps Mimice's greatest attraction; you won't find huge crowds and lots of traffic. If you head to Omiš, on the Cetina River, you will have the opportunity to go rafting, scuba-diving or simply learn more about the town's pirate history. Many cultural events present the area's theatrical or musical traditions, such as the Festival of Dalmatian Klapas, while the choice of restaurants will give you plenty to discover too. The country's second-largest city, Split, is around an hour's drive from Mimice.
