

# Domaine Du Pont: Entire Estate

Region: Normandy Sleeps: 28

## Overview

A magnificent 17th century château set in stunning landscaped gardens, this is the perfect base to explore the Bayeux Tapestry, Monet's Garden, and the landing beaches. It is only a 14km drive from Honfleur and 30km from Deauville.

The main château at Domaine Du Pont can sleep 16 to 18 guests across nine beautiful bedrooms. The ground floor entertaining spaces are superb with antique chandeliers and other original features whilst three of the rooms open up to the gardens, especially wonderful in the summer months. In the old stable block there is a heated swimming pool and pool house whilst outside you will also find the formal and Italian garden as well as the grand fountain which can be switched on in summer months.

The estate also features a charming Farmhouse which has its own driveway and pretty valley views, connected to the château's grounds via a gate and surrounded by orchards (for cider and calvados) and grazing land. It has space for a further 10 guests across its five pretty bedrooms and four bath or shower rooms. You will also find an inviting living room as well as a characterful kitchen and dining room in this traditional and inviting abode.

The outside of the Domaine du Pont estate has been untouched since it was originally built in the 16th century and enlarged in around 1720. It has had a fascinating history, from being used as a safe house for aristocrats being smuggled out of France during the revolution, to being used by the Resistance during the Second World War. Since the war the château has had a much more refined and tranquil existence, but has also played host to guests such as the Aga Khan and the Dalai Lama.

## Location & Local Information

The nearest port to the estate is Le Havre (35km) and the nearest town is Beuzeville (5km). About three minutes drive from the château there is a small village which has a butcher's, a baker's, and a takeaway pizza restaurant, which is good for emergencies! There is also a very nice French restaurant. If you want to try slightly further afield (just another 10 minutes!) you will find many good restaurants in the picturesque setting of Honfleur, a medieval fishing port. If you go further afield to Deauville (30km), there are a number of very smart restaurants as well as a lovely sandy beach.

Normandy has a huge amount to offer – and most of it is within a reasonable drive of the estate. It has something for everyone from old cities, Monet's garden, the landing beaches and historic sites such as the Bayeux tapestry to beaches, holiday resorts and casinos.

The area is well supplied in terms of sports facilities - for both participants and spectators. In particular, it is well known as a hub for equine pursuits - there are numerous studs, including the Aga Khan's, and in the summer there are horse auctions and Horse Racing and Polo at Deauville. There is also Horse Riding available locally. There are many golf courses within 30 minutes of the chateau, or the one in Etretat, situated on top of the cliffs, overlooking the channel, 57km away.

Other day trips include the Landing Beaches, the Bayeux Tapestry and Monet's Garden. Honfleur (17km) is a fishing and sailing port located in the Seine estuary about 15 minutes from the château. Deauville (30km) is great for smart shops, cafes and people watching. This cosmopolitan sea-side resort has a large and beautiful beach, a marina, and a casino.

Normandy is rightly famous for its food - especially the cheeses such as Livarot Camembert, and Pont l'Eveque - and Calvados, the apple brandy. The French love of good food means that all ingredients also have to be of the highest quality. Seafood is fantastic and local producers are famous in the area for quality, taste, and price.

Local markets are fantastic and are often the major source of food for the locals. The nearest market is in Beuzeville on Tuesday mornings. However, there are also excellent ones in Honfleur (Saturday), Trouville (Sunday) and Pont Audemer (Monday). There are also many restaurants in nearby villages – the best guide to them is the Michelin Guide..
