Overview

Inspired by Morocco's rich botanical beauty, Villa Atlas is a serene haven set within a lush park in Marrakech. The gardens, lovingly maintained by two skilled horticulturists, including the villa's passionate owner, celebrate Mediterranean flora, from palms and olive trees to rare cacti and fragrant blooms. Guests can unwind by the heated pool, surrounded by sun loungers and shaded terraces, or retreat indoors where Feng Shui-inspired design and natural materials create a calming, sensory experience. Underfloor heating and soft natural light add to the villa's tranquil charm, making it an ideal escape for rest and renewal.

A staircase leads to the elegant mashrabiya and a spacious roof terrace, where panoramic views of Marrakech unfold beneath a brilliant blue sky. Evenings bring the joy of dining indoors or alfresco under the stars, with homemade meals prepared to perfection. Location & Local Information

Marrakech, Morocco's captivating "Red City," is a spellbinding blend of history, culture, and colour. Its UNESCO-listed medina is a maze of palaces, riads, and souks filled with spices, lanterns, and hand-woven treasures. At its heart lies Jemaa el-Fnaa, where snake charmers, storytellers, and musicians fill the square with life by day, transforming into a vibrant festival of lights, aromas, and music by night. Architectural gems like the Bahia Palace, Saadian Tombs, and the Koutoubia Mosque reveal the grandeur of Marrakech's past, while the tranquil Majorelle Garden offers a haven of cobalt-blue beauty and lush greenery.

Beyond the medina, palm groves, oases, and the snow-capped Atlas Mountains invite exploration. Visitors can savour aromatic tagines, wander the Menara Gardens, or simply watch life unfold from a café terrace. Timeless and full of character, Marrakech is a sensory journey, a city that enchants, inspires, and lingers long after you leave.
