

Villa Vesna

Region: Split Sleeps: 11

Overview

Indulge and unwind with the entire family or a group of friends on your next getaway in the idyllic Villa Vesna, featuring unique amenities like an al fresco dining area and a pool with Roman steps.

Set just outside the central areas of Split, in a peaceful residential area, lies this homely holiday villa. This home can sleep up to eleven guests across five bedrooms! Each bedroom has been detailed and finished to a high level to offer guests the best comfort.

The ground floor is home to one of these bedrooms, as well as the kitchen and bathroom. The first floor is home to the remaining four bedrooms, all finished with comfortable double beds; two rooms even feature a terrace, a beautiful location to enjoy a glass of wine and watch the sunset or stretch and get some fresh air as the sun rises.

The kitchen downstairs features a cosy cooking area as well as a breakfast bar; parallel to this is a massive floor-to-ceiling sliding glass door which lights the entire kitchen diner area. These doors lead onto a lovely al fresco dining area with a large dining table and a neighbouring fireplace, where guests will enjoy a glass of wine on those cooler evenings warmed by the fire and the sun's fading glow.

The outdoor area is detailed with relaxation in mind. There is a generous pool and even Roman steps to provide easier access to all guests. Around the pool are some very wealthy sun loungers and some well-placed seating areas offering shade, sun and dry areas for those not so pool-inclined.

When the mood strikes, there are plenty of things to do, all within a short distance. The nearest beach is around 300m away, and the nearest restaurant is under a kilometre

away, an excellent excuse for a stroll down the beach to try some authentic Dalmatian fare.
