Location & Local Information

Villa Valechka, a mere 140 meters from the beach, is a haven of tranquillity. The villa offers views of the surrounding area and the glistening seas, creating a peaceful and quiet ambience. Nestled in a semi-isolated area of Makarac in Milna on Brac Island, this tranquil spot can only be reached via a stone track road, ensuring the utmost peace. It's the perfect escape from the hustle and bustle of everyday life, a place where you can truly relax and unwind.

Despite its proximity to Split, Brac is less touristy than the glittering island of Hvar further south. Make sure you try some of the olive oil on the island. The olives are of a rare variety called buhavica, and there are over a half-million trees! Famous for the Zlatni Rat beach, which is known to be one of the most beautiful beaches you can visit and a real gem on the island! Should you wish to explore the island and its surrounding areas, fully guided professional tours, boat transfers, rentals, and dinner reservations can be organised. The immediate area is better suited to those looking for an escape from the more touristic areas of Croatia, as there are fewer restaurants and bars nearby. However, should you wish to spend a day exploring the racier pace of life, then Supetar and Bol are not so far away across the island, and there is always the option to take a boat to Split or the famous islands of Hvar and Korcula, where you can see a different side to the area. Brac Island itself offers ample activities and sites to keep you entertained. The glistening sea water is perfect for swimming or diving if you choose to explore the island from underwater!
