

Villa Enaena

Region: Mykonos Sleeps: 8

Overview

Five-bedroomed Villa Enaena is an elegant hideaway on the Greek island of Mykonos. Set in a serene spot in the Agia Sofia area, the villa looks out towards the coast and boasts breath-taking views of the island and the Aegean Sea. The spectacular pool area is the star performer, but the modern rooms and the classic Mediterranean whitewashed exterior turn out memorable supporting roles.

Staying at Villa Enaena is an Oscar-winning experience for those who want the absolute best. Previous clients have told us what a delight the service they received was at this villa, including a twice daily maid service. Once you're through the remote controlled entrance gate, you're greeted with an impressive building surrounded by rustic stone walls and gardens dotted with local plants and flowers. The villa can comfortably sleep up to nine, and there's plenty of parking space available.

Set across two spacious floors, there are two double bedrooms with en-suite bathrooms and a playroom on the ground floor. There's a welcoming living area with a fireplace, a fully equipped kitchen and a toilet on the entrance level and a master bedroom with bathroom and cloakroom on the top floor. Extra 'luxe' features include a TV and DVD player in every room, Wi-Fi and an iPad to use for the duration of your stay. Plus, a PlayStation and games for the children.

The villa is complemented with a separate guest house with a lounge area and an en-suite bathroom. Oh, and did we mention there's a state-of-the-art private gym too? The décor is contemporary throughout with natural materials such as stone and wood and cream-coloured furnishings, to ensure light abundance and an open space experience.

Stepping outside, there's a large private infinity pool and loungers for relaxing. Outdoor amenities also include a BBQ, a shower, plus eating and lounge areas for al fresco dining. If you can bring yourself to leave the luxurious comfort of this villa, you're about a 10-minute drive to Mykonos Town. There you'll find pristine sandy beaches, alongside restaurants, shops and cafés.

Location & Local Information

Villa Enaena is in Agia Sofia village on the picturesque Greek island of Mykonos. The main advantage is that you spend quiet moments when you need to in the comfort of your private and secluded villa, yet you still have easy access to Mykonos Town (a 10-minute drive away). There you'll find plenty of things to see and do including cultural sites, shops and restaurants.

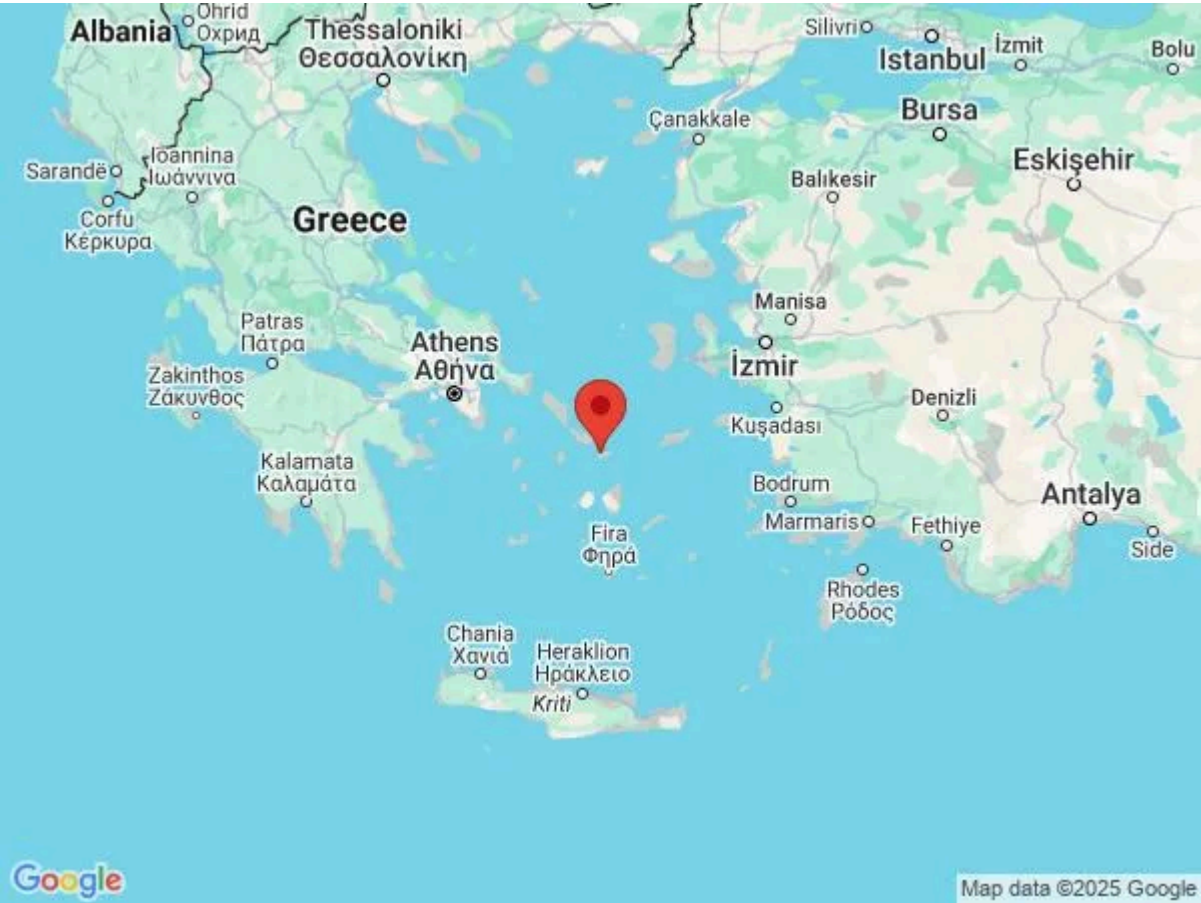

Mykonos is one of the most popular islands in Greece, due to its welcoming and cosmopolitan atmosphere, pristine sandy beaches and traditional whitewashed Cycladic architecture. You can also get lost inside the colourful Little Venice – buildings right on the water's edge – vibrant Matoyianni Street with shops – and take some photos of the iconic windmills in Mykonos Town. For a cultural visit, you can head to the Aegean Maritime Museum and the historic church of Paraportiani.

In Mykonos Town, you can stroll along the narrow streets and browse the beautiful buildings and boutique shops. For lunch or dinner, you'll find plenty of dining restaurants and fantastic sunset bars for drinks. Look out for fresh seafood and traditional Greek Moussaka. For days spent relaxing on the beach instead, the villa is a 3.7km from the nearest beach. There are also more sandy spots including Platys Gialos Beach, 5km southeast of Mykonos Town.

Mykonos is also the jumping-off point for the archaeological site of the nearby island of Delos, the most significant perhaps, historical and archaeological site in Aegean sea. There are plenty of opportunities to take part in water sports or jump on a boat trip to explore the idyllic coastline.

What we love

- Unrivalled views of the rocky coastline and turquoise Aegean Sea
- Charming Mykonos Town is a short 10-minute drive, or 3.5km walk, from the villa
- The facilities are second to none with parking, a private pool and a gym on site
- The nearest sandy beach is just an 8-minute drive away
- Previous guests to this villa have remarked about the attentive service
- For larger groups Villa Tessera (<https://www.oliverstravels.com/greece/tourlos/villa-tessera/>) is nextdoor, as well as two other 4 bedroomed villas that don't have pools.

What you should know...

- The villa is on a slight incline, so it's easier getting to the town than it is back
- There are other properties near the villa, but it's designed to be completely private with a remote controlled gate, stone walls and surrounding trees and plants
