

Vodice Villa

Region: Sibenik **Sleeps:** 12

Overview

Vodice Villa is a large holiday villa, with a substantially sized Mediterranean style garden. Here, you will discover a real sense of privacy, due to the villa's large grounds, which are enclosed by a stone wall. The garden is separated into three particular areas; the swimming pool, summer kitchen and dining & seating areas.

Entering the villa, you are welcomed by a well lit and airy dining space that is a wonderful setting for banquets and feasts. The large sliding panel doors can be opened to enhance your experience further. From this room, you can access the first floor, where two bedrooms can be found. The twin and double bedroom have plush furnishings, and the surrounding region can be admired from the windows in both sets of bedrooms.

In the mornings you and your guests will find yourselves convening in the elegantly finished kitchen, which has a bar top eating area. This is the perfect room to enjoy a quick breakfast before you start your day or relaxation of exploration.

The living area has a generously sized sofa, making it an excellent spot to get cosy on and watch a late-night movie. This sofa can also be converted into bedding, therefore providing space for additional guests.

Location & Local Information

Vodice Villa is only a few kilometres from the city of Sibenik, in the heart of the Dalmatia region in Croatia. Sibenik is a traditional medieval city full of character. You will find yourself exploring the wonderful narrow streets, full of shops, cafes and restaurants. A little further along the coast is the Solaris Beach Resort, with beautiful beaches and a fun aquapark for children as well as handy bars, shops and restaurants.

Vodice Villa is in a stunning part of the Dalmatia countryside and the well-known National Park of Krka is less than a 30 minutes' drive and you will see the most famous waterfalls, Skradinski buk, accessible by boat from Skradin during the summer months. Alternatively, head north to the stunning Roski Slap Waterfalls (20km) or take a boat from Skradin to the magnificent Visovac monastery, located on an island in a magical setting. Do check the boat schedules before setting off as they vary depending on the time of year with most services operating in the summer months. A trip to this National Park is a must for all guests!
