What we love

- The views from every terrace and bedroom balconies are utterly breathtaking, overlooking the Adriatic Sea.
- Ideal location close to nearby attractions and towns including UNESCO rated Trogir and the Dragon's Eye Lake.
- With three separate balcony spaces, outdoor swing and the extensive garden space, there's plenty of space for you to enjoy your morning coffee in peace, or all gather together around the seafront terrace.

What you should know...

- Although there are two double sofa beds available, we would recommend these are used by children as they may suitable for adults.
- A car is recommended to explore the surrounding area and attractions.
- The pool is unfenced so young children should be supervised at all times.
- Bring insect spray as there tend to be quite a few bugs and watch out for the odd sea urchin in the sea out the front!
- Please note, the walk to beach is via the road and a sandy track along the seafront.
