Overview

Villa Mimice is an exquisite, stylish property located on a slope above a small Dalmatian coastal town. This modern villa offers a unique architectural design based on the premise of sociable living areas and is designed to optimise the breathtaking views available from this exclusive location! With undisturbed views available across the sea, it is hard to focus on much else, yet the elegant details and design of this villa provide a careful balance to the dominant views.

As you step inside, there is a continuing connection to the outdoor space, with large, floor-ceiling, glass doors opening at several points out onto the terrace. The modern kitchen is located at the centre of the property, with direct views out over the sea and to the horizon beyond. The remaining living spaces revolve around the kitchen hub, with an elegant dining area featuring a contemporary dining table for eight guests and a few steps lower, a spacious living room area with comfy sofas and the option of watching the television or else watching the world go by out of the window, with more stunning views available! The entire ground floor lends itself to inside-outside living, with every opportunity to meander between the interior and exterior. A contemporary concrete staircase leads up to the property's first floor from the dining area. With four fully-furnished double bedrooms offering you space for a luxurious night's sleep and four bathrooms for your privacy, Villa Mimice is the perfect base for a family or group of friends.

Outside, the terrace works as the perfect extension to this remarkable villa, with a striking, heated infinity swimming pool presenting the perfect opportunity to cool off on hot summer days and the perfect space to let your mind drift off into the views. There is space to dine al-fresco, enjoying the benefits of the warm climate and use of the

barbecue. For those looking for a relaxing holiday with elements of luxury and a stunning view, look no further. Villa Mimice leaves nothing to be desired, and it is the perfect base for your holiday away.

Location & Local Information

Villa Mimice is under a kilometre from the town centre of Mimice, with the sea and the beautiful beaches just a 5-minute drive away from your front door. Mimice offers a few restaurants, shops, and a small harbour; however, guests will need to travel to Omis for more amenities. On the Cetina River, there are many activities, such as rafting, ziplining, canyoning, and climbing, which are perfect for families and groups of friends and keep you all entertained!

Omisi in Croatia is a small Central Dalmatian town and harbour between Split and Makarska, surrounded by gorges in the mouth of the Cetina River. In the past, Omisi was notorious because of the pirates of Omisi, whose ships were a centuries-long symbol of retaliation, courage and strength. The evidence of this history can be found on every corner of the Omisi Riviera. In the ancient town of Omisi, Omisi churches and fortresses are silent stone reminders of the power of the infamous Omisi pirates. Today, it is the centre of Omisi Riviera, one of the most beautiful parts of Croatia's Adriatic Coast.

What you should know...

- We would recommend a car when staying at Villa Mimice, there is a garage and parking for the property.
- The interior staircase is a beautiful design, but it may be difficult for young children to climb on their own.
- There is a small garden underneath the pool edge with steps down, so no need to worry about kids playing with toys in the pool and things going over the edge!
