

# Chateau De Valombreuse

Region: Languedoc Sleeps: 10

## Overview

The words "ultramodern castle" aren't a contradiction when you experience this expertly renovated château in Languedoc, which is also one of the best wine producers of the region.

Here you have the best of both worlds; old stone arches are a cunning counterpoint to sleek, modern furniture. Playful textiles pop against clean and classic lines. Your guests will never forget the time they've had, sipping cocktails by the grand piano or exploring the timeless 3-hectare park.

You're invited to taste the wines that are produced on-site, which regularly win awards and have been well-reviewed in wine magazines *Bettane+Desseauve* and *La Revue du Vin de France*. There are 60 hectares of grapevines on this vast property, 40 km south of Montpellier (the heart of the Languedoc-Roussillon wine region). If you're in need of more activity than a stroll through the vines - and the 100 hectares of garrigue - have a swim in the 13m pool, or play tennis on the private court. From Spring 2026, the owners will be opening a small boutique hotel (to be confirmed) within the wine estate, home to a spa, gym and restaurant that château guests may access.

This holiday château is quiet and secluded, 4km from the nearest town of Montagnac. Dozens of wineries dot the landscape here, all the way down to the Mediterranean Sea. Have a gorgeous day at the beach in Mèze (12km), where you can slurp the best oysters in France with shallot vinegar.

## Location & Local Information

Château De Valombreuse is set in a 3 hectare estate of beautiful countryside including vineyards, in the Hérault countryside between Pézenas (12km) and Mèze (10km).

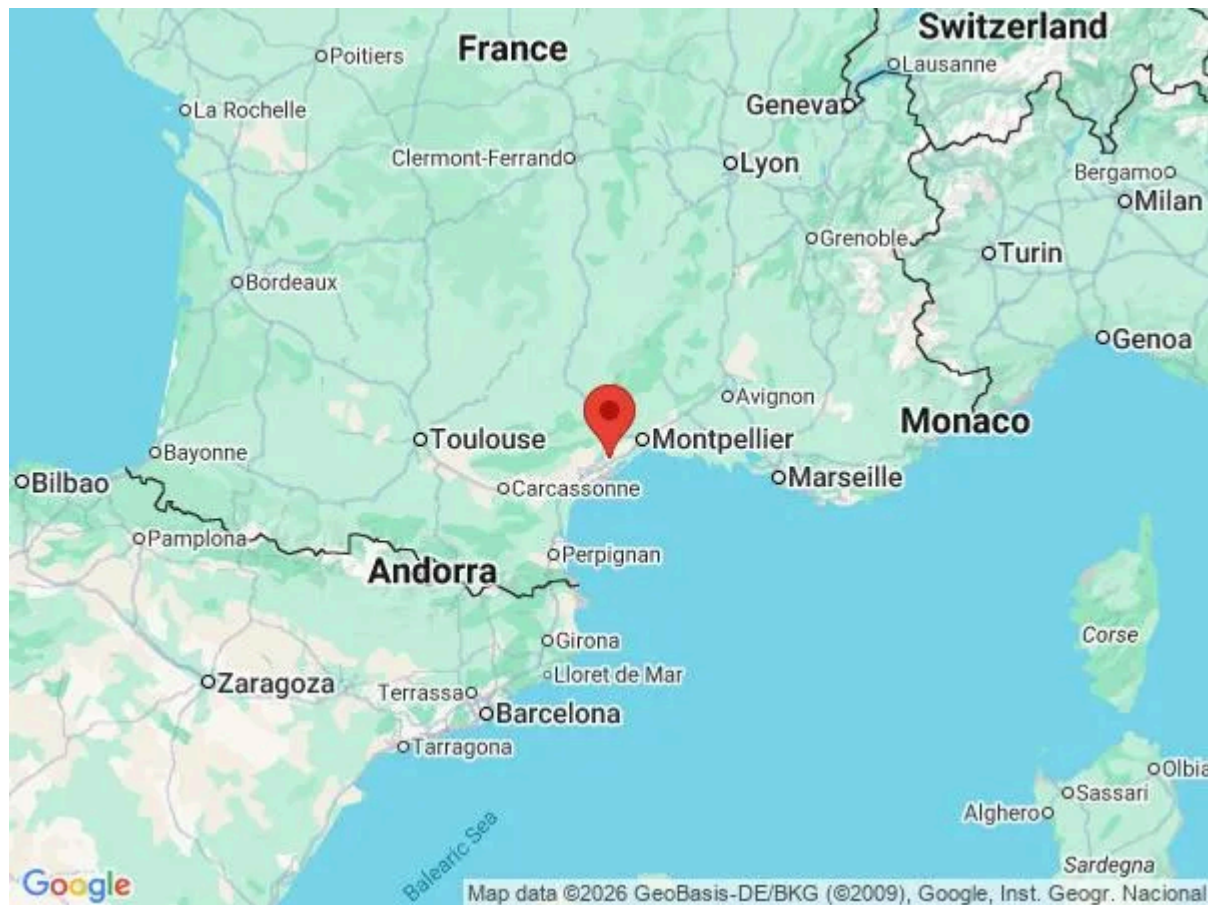

You're invited to taste the wines that are produced on-site as there are 60 hectares of grapevines on this property. Surrounded by hectares of garrigue, it is a wonderful area for walking, including the ancient Roman route of Via Domitia which passes nearby. Cyclists can head to the nearest village or explore further afield on one of the many cycling routes in the area. Furthermore, from Spring 2026, the owners will be opening a 9-bedroom boutique hotel next door, home to a spa, gym and restaurant that château guests may access.

The closest village of Montagnac (3km) is very picturesque with some interesting shops, a handful of rural French bars and restaurants and a pretty medieval church worthy of a visit. Historic Pézenas (12km) is also just a short drive away, a great place to spend some time wandering around the town's art galleries and antique shops or stopping for a bite to eat in one of the many good restaurants. Pézenas also hosts one of the region's finest markets on a Saturday morning.

Within ten minutes drive you can be on the water's edge at Étang de Thau, one of the impressive lagoons along this part of the coast. The water is famous for oysters and you can take fantastic boat trips to the oyster beds of Bouzigues. Of course you can enjoy some excellent sea-food in the fishing villages dotted around Étang de Thau, including nearby Mèze (12km) where you will also find some watersports, a weekly market and lots of local events. The unspoilt and authentic town of Sète (28km) has long sandy beaches and there are further seaside resorts at Marseillan Plage (24km) and Cap d'Agade (32km), with more watersports available.

The city of Montpellier (45km) is the region's capital and full of stunning plazas, great shops and historical sites. Other places worthy of a day trip include the magnificent fortified town of Carcassone (120km), the impressive Roman aquaduct at Pont du Gard (120km) and one of the most beautiful villages in France, Saint Guilhem le Désert (40km), all three of them are UNESCO World Heritage sites.

There are activities for young and old nearby, from kite-surfing in Marseillan to yachting in Mèze, and golf lovers have a choice of courses in the Languedoc. There are plenty of marked trails for walking and bike rides and there is horse-riding within a few minutes. You may also like to watch the popular and traditional sport of water jousting which takes place throughout the summer with competitions between local seaside towns. Finally, dinosaur lovers have the choice of the nearby Dinosaur museum, just ten minutes drive away or the Dino-Park within 30 kilometres, both open from April to October.
