Location & Local Information

This stunning house with village and mountain views is just a short walk from Eygalières, one of the prettiest spots in Provence.

Eygalières (approx. 700m) is a small hill-top village with winding lanes, lovely landscapes and an authentic charm, in beautiful Les Alpilles Natural Park. It is no surprise that many A-list celebrities have bought villas here to escape the paparazzi elsewhere. There is a village church, a bakery, butchers, a handful of restaurants and cafes-bars plus a wonderful Provençal market on a Friday morning.

You are of course in the heart of this formidable area of vineyards, idyllic villages, world-renowned towns, and summer landscapes of sunflowers both in Les Alpilles National Park and beyond. Nearby St-Rémy is well known for being popular with artists, many live in the area and display or sell their works of art in the village's art galleries. The town is also famous for its many restaurants, from down to earth bistros found on pretty narrow streets to Michelin starred establishments and food lovers shouldn't miss the market on a Wednesday morning!

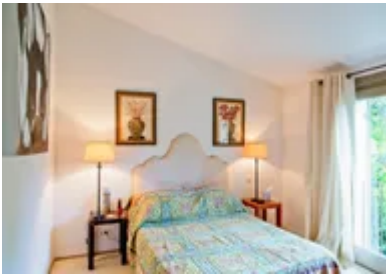

Les Baux-de-Provence, one of France's acclaimed '*plus beaux villages*' and Van Gogh's precious Arles are also both within easy reach. Gordes is yet another one of the beautiful villages worth visiting with stunning architecture, set in the outstanding Luberon region, surrounded by lavender fields in the summer months.

Don't miss the lively city of Avignon during your stay. Explore the winding medieval streets, experience further excellent dining opportunities and visit two UNESCO world heritage sites, the Pope's Palace and Saint Benezet Bridge. The covered market offers all sorts of delights or head to the weekend farmers, flower and flea markets for wonderful local produce and a bargain or two.

Those looking for activity have so much on their doorstep. There's tennis nearby and both horse-riding and golf are within a short drive. Both the immediate and wider area are a walkers and cyclists paradise with stunning countryside and landscapes, there are many routes available to follow. Older children will love kayaking in the Sorgue and there are plenty of other family friendly activities throughout the region from model railways, open castles to trekking across the tree tops and visiting a zoo.
