Location & Local Information

Villa Siblia is located in the hills overlooking the picturesque fishing village of Mlini. It is just a seven-minute walk from the Mlini harbour and seafront. The beautiful and venerated city of Dubrovnik is only a 15-minute drive away, whilst the ancient Hellenistic town of Cavtat is also easily accessible.

Mlini itself is a delightful village of authentic stone houses and some beautiful churches. The natural setting of the village is spectacular - lush mediterranean greenery and pine covered hills surround the village's pebble beaches and shady promenades. The place hums with quiet serenity and visitors will love exploring the floral gardens and scenic coves dotted around Mlini bay.

There are plentiful culinary opportunities down at the seafront and guests can feast on fresh fish and organic wine in any number of lively local restaurants. Mlini also boasts some enticing local beaches, most notably Mlini and Srebreno. Both are within easy walking distance from Villa Siblia and offer shady pebble beaches and shallow jade waters, making them perfect for family excursions. For those more inclined towards cultural exploration, the nearby Church of St Rocco, is a must.

Just a short drive from Mlini is situated the glorious and ancient city of Dubrovnik. Described by George Bernard Shaw as 'paradise on earth,' Dubrovnik is frequently described as one of the most beautiful cities on earth, as evidenced by its status as an UNESCO world heritage site. Once the prosperous capital of the ancient republic of Ragusa, Dubrovnik is a maze of aristocratic piazzas, baroque churches and medieval fortresses. It is a resplendent example of an archaic walled city and provided the setting for much of the popular 'Game of Thrones' series. Dubrovnik is home to the oldest arboretum in the world as well as Europe's third oldest pharmacy. Visitors of Dubrovnik must be sure to visit the city's 'Rectors palace' as well as the fascinating Maritime museum. A trip up Mount Srd on the city's cable car is also an unforgettable experience.

What we love

- The extraordinary beauty of the natural scenery that surrounds this villa is in a league of its own and guests can enjoy the mesmerising views from the comfort of the private pool
- The beautifully designed interior with its thoughtful combination of local colour and chic modernity
- The humming seafront of Mlini with its array of authentic cafes and lively restaurants

What you should know...

- The beautiful city of Dubrovnik can be especially busy during the months of July and August, you will appreciate returning to your quiet surroundings after a day exploring
- While amenities and the beach are reachable on foot, hiring a car would be recommended in order to reach the wider surrounding area.
- The pool has no heating, so in October pool water can be a little bit cold.
