Villa Baroness

Region: Mallorca **Sleeps:** 18

Overview

Tucked away in a tranquil pocket of rural Mallorca, Villa Baroness is the ideal home for a group looking to relax in the famous Balearic sun in a private environment, just a stone's throw from the vibrant beaches and beautiful landscapes of the island.

You will approach the villa along a long, winding private pathway, when you begin to glimpse the manor ahead. A 17th-century castle, oozing traditional charm and splendour, the home has been completely restored and rejuvenated to become a thoroughly elegant home-from-home for up to twelve guests.

The interior continues this delightful fusion of historical allure and contemporary comforts, with a vast, breath-taking living room, which extends to the similarly styled terrace, with endless seating and relaxation areas, all illuminated under soft lighting, with fabulous wooden beams overhead.

Gentle tones of cream complement the chestnut-wood structures throughout. There is a large modern and professional kitchen on each of the two floors. A grand dining room for up to 18 provides a majestic space for formal meal times.

On the lower floor, there are two bedrooms while on the upper level there are four, all of which are finished to the highest of standards. The furniture is elegant, comfortable and utterly tasteful, with carefully selected artworks to complement the sumptuous décor. Each bedroom has a TV, A/C and is accompanied by a beautiful ensuite bathroom.

Among the 150 hectares of manicured gardens, palm trees, olive trees, cypresses, Mediterranean vegetation and flowers you have many excellent facilities. A beautiful 15 by 5-meter pool is a magnificent centre-piece, surrounded by sun loungers and parasol and accompanied by a pool house with a bathroom to save you the trip indoors.

A summer kitchen, alongside a dining area for 12, allows you to soak up every drop of the sun!

Located just a ten-minute drive from the beautiful town of Porreres, brimming with traditional Spanish buildings among the charming cobbled streets lined with pavement cafes and quaint shops and restaurants.

The atmosphere is laid-back, with endless romantic spots to while away a couple of hours over a coffee as you watch the world go by. Each week there is a traditional farmers' market, and there is also a small modern art gallery where you will find some works by Salvador Dali, the world-famous surrealist artist.

The nearby beaches are stunning, with crystal clear waters, soft sand and small bays to explore – take a day trip on one of the boats to soak up the sun and truly appreciate the beautiful coastline.
