Location & Local Information

Begur is a hidden gem of the ever-popular Costa Brava. Begur is part of the comarca of the Baix Empordà in Catalonia. It has become very popular with Barcelonians which, if you feel like stretching your legs is located just 1 hour North of Begur!

Begur is overflowing with Spanish charm and has a plethora of things to do from fantastic local eateries and restaurants to boutique shopping and much more. There are of course the ruins of the Castell de Begur which makes for an interesting hike. The nearest beach is that of Fonda which is approximately 3 km away.

Begur is conveniently located within a slew of local Spanish towns and villages giving families and explorers plenty of things to do. There are the stylish beaches of Sa Tuna and Sa Riera which are just a short drive away. If history is your passion then perhaps the nearby villages of Regencos and Púbol will interest you. They are both oozing with medieval architecture, especially Púbol which is home to many landmarks associated with Salvador Dalí, including the ruins of the castle that he gifted to his Russian wife, Gala.

Begur is also local to many golf courses, two of which are located within 10km of the village!
