The vaulted living room is the perfect place to appreciate just what an idyllic spot Villa Anchor occupies, with louvre shutters providing direct access to outside spaces. The large room features enough seating for everyone to get together and chat over drinks, before moving over to the stunning marble dining table, when dinner is ready to be served. You can also relax whilst keeping connected to the outside world in the adjacent television/office room. Here you'll find a variety of channels to enjoy on the flat screen television and a fax/printer and broadband within the office area. The kitchen is large and fully equipped with everything you need to make and cook meals, but there's also a housekeeper/cook on hand six days a week to prepare breakfasts and light lunches, with other meals available by arrangement.

There are three beautiful bedrooms at Villa Anchor, with all benefiting from air conditioning. The master bedroom is very spacious and features a king size bed and an ensuite bathroom with shower. The second and third bedrooms have twin beds each, which can be zipped together to create king size beds. The third bedroom has an ensuite bathroom with shower and bathtub. There's also a lovely family bathroom with shower and bathtub for all guests to use.

Directly accessed via the living room, the covered patio features a dining area for enjoying al fresco meals and a more casual space with outdoor seating. Wherever you sit, the views of the lush gardens that surround Villa Anchor are just lovely. There's a diverse range of tropical plants and trees to spot as you stroll around the large plot and appreciate the work done by your dedicated gardener. The main highlight is the private swimming pool, which is surrounded by a selection of loungers for soaking up both the sun and the peaceful atmosphere.
