Location & Local Information

If you're looking for an idyllic getaway, there's few better places than the vibrant, picturesque Caribbean island of Barbados. A country renowned for its stunning beaches, crystal clear oceans and welcoming climate. Stretching just 21 miles, there's no reason not to explore all of what Barbados has to offer, from shimmering oceans of the West Coast to the UNESCO-listed old part of the vibrant capital, Bridgetown.

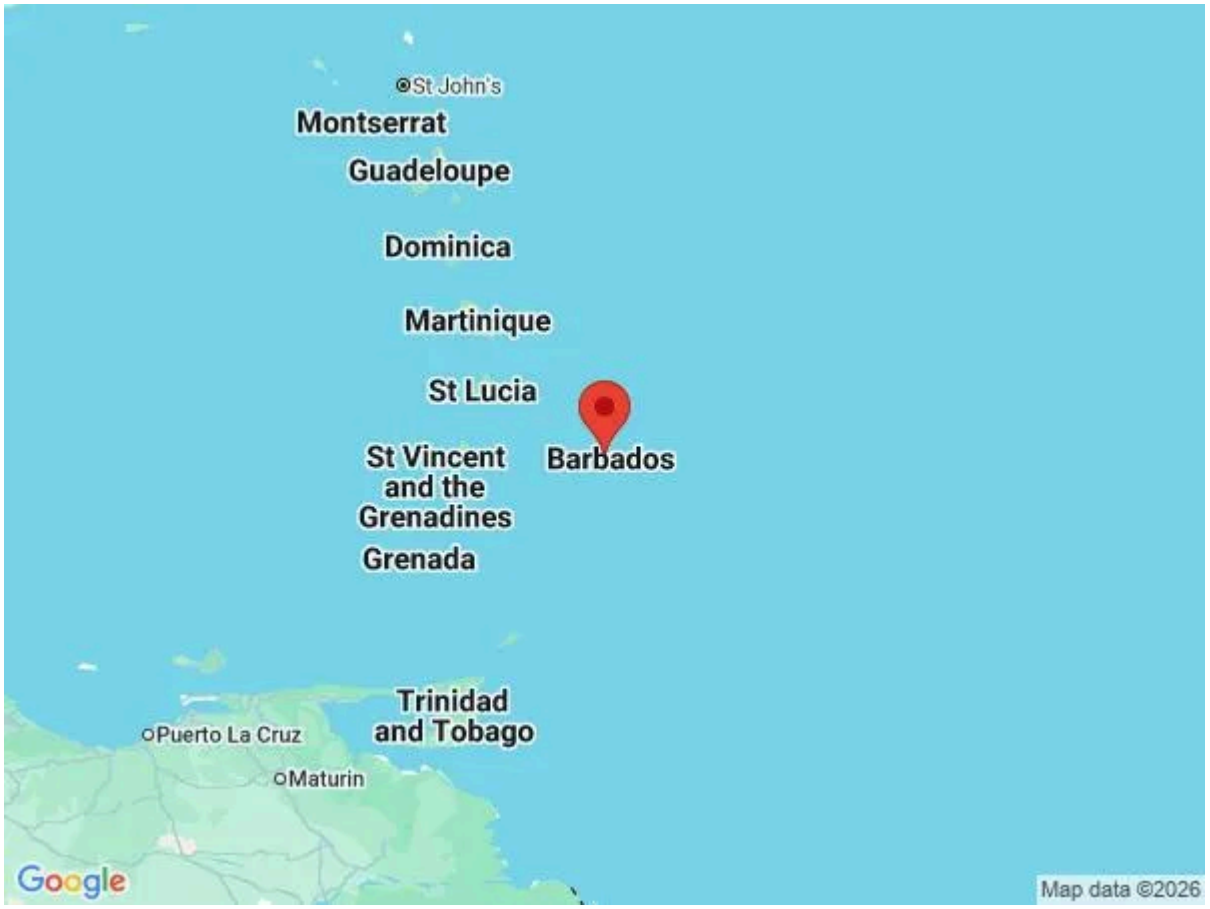

Barbados embraces the slower pace of life, and it's not hard to relax when the weather is lovely all year round. It averages over 3,000 hours of sunshine each year, and it is treated to prevailing northeast trade winds that create a light breeze, so it's rarely unbearably hot.

Once you've visited all the stunning beaches on offer, make sure to head inland to the plantations that share a unique and telling story of the island's history. Of course, you must also try the island's internationally recognised rum and local specialty - flying fish.

This villa is located on the West Coast, near Gibbes Bay. With some of the most beautiful and popular beaches and beach clubs at your fingertips - there's nothing you will be left wanting. This villa is just 2-kilometres from Speightstown, one of the island's major towns that has a rich, long history and plenty of character. The town, which is also known as Little Bristol, is the second major town in Barbados and is also one of the busiest ports.
