

Villa Narancasto

Region: Primosten **Sleeps:** 12

Overview

Ultra-modern and showcasing the best of contemporary design, Villa Narancasto is a stylish holiday home right on the coast close to the small town of Primošten.

The sea views from newly-built Villa Narancasto are just unbeatable. An area of private pebble beach is located at the bottom of the plot where you can get even closer to the water. The views can be enjoyed from many of the terraces as well as from the spacious rooms inside the villa.

On the ground floor is a large, open plan area that's perfect for socialising and relaxing. In the lounge area are a couple of comfortable sofas and a chair that are ideally positioned for watching both the television and the sea.

The patio doors give not only fantastic views but also direct access to a terrace. Sharing the space is a fully-equipped, modern kitchen and a dining table that seats up to eight people. There's also a guest bathroom with shower and toilet.

To the first floor are four air-conditioned double bedrooms. All have their ensuite bathroom, and three of them also overlook the sea. The second floor is a separate area with its private entrance.

Here is the fifth bedroom with a double bed and pull-out sofa bed for an additional four people. A terrace features some sun loungers and a parasol for soaking up the sea views in comfort and style.

The main dining terrace has a classic wood dining table for up to 10 people to enjoy al fresco meals with uninterrupted sea views. There's also another more intimate dining terrace with a built-in barbecue.

The outdoor, private swimming pool offers stunning views also. Dotted around the plot are gravel flowerbeds with pretty plants and small trees. There's also a lawned area for enjoying some quiet time alone. Just a minute away at the bottom of the outside space is a pebble beach.

Location & Local Information

Despite occupying a quiet and peaceful position right on the coast, many supermarkets are just a short drive away from Villa Narancasto. Here you can pick up groceries and anything else you might need during your stay.

You can walk to the central part of Bilo Beach in around 20 minutes to enjoy picnic lunches. The beach is a little rocky, so make sure you pack some shoes too. You'll love how uncrowded the stretch is here, and the water is immaculate and bright for swimming.

Primošten is a small, coastal town that's just over 10 minutes away from the villa by car. It's a charming place with a laidback atmosphere and local culture around every corner. You can find several supermarkets here, as well as a fish market, general market and some souvenir shops.

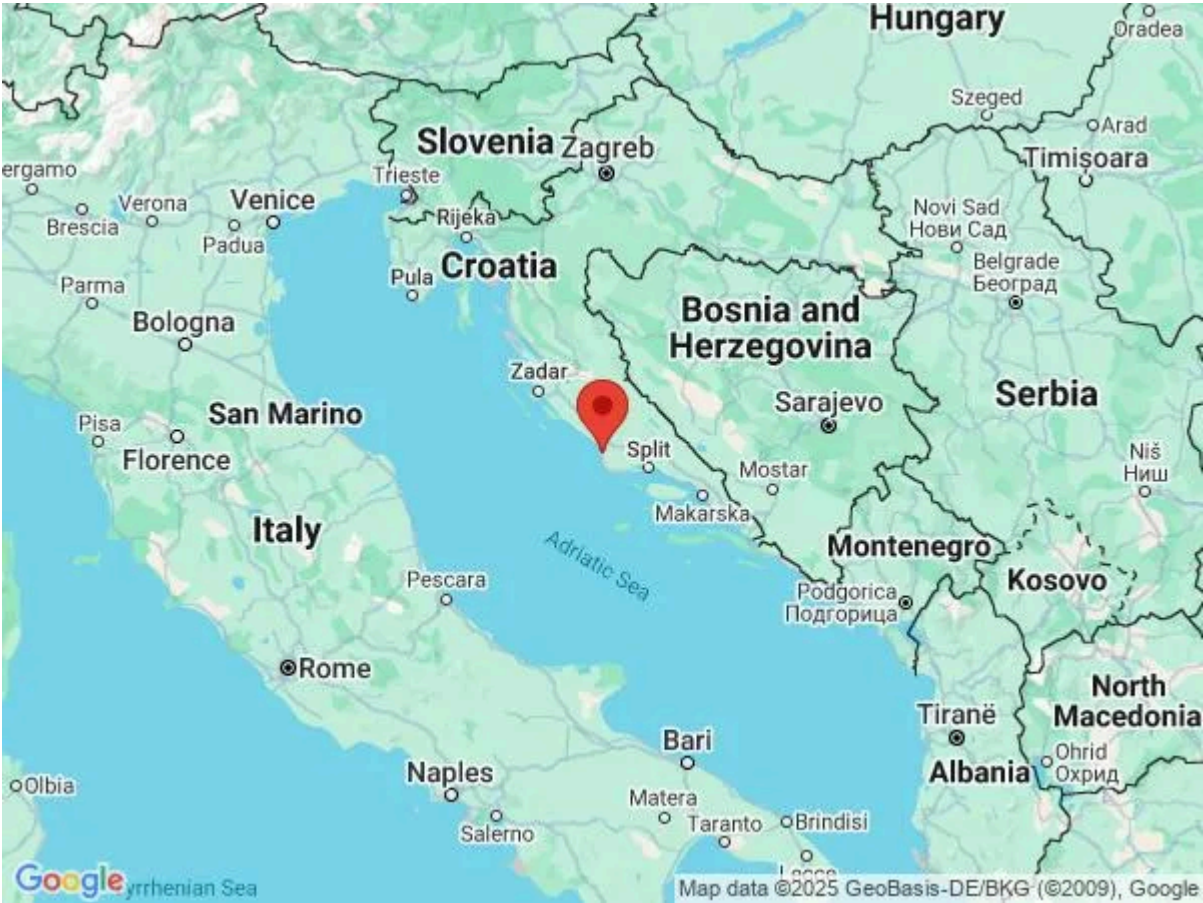

One of the most beautiful buildings here is the 15th-century Church of St. George. There's also a lovely sandy stretch to chill out and relax on after enjoying a seafood lunch at one of the town's many restaurants.

Just a 40-minute drive north is the city of Šibenik, with its historical and cultural attractions. Its old area is home to a network of steep streets and alleyways and plenty of hidden gems. The top sights of the city include St James' Cathedral and St Michael's Fortress.

Visit Šibenik City Museum to browse exhibits from the prehistoric age, right through to the modern day. Solaris Aquapark is on the outskirts of the city and is a great place to go for a fun-filled day out with the family.
