Location & Local Information

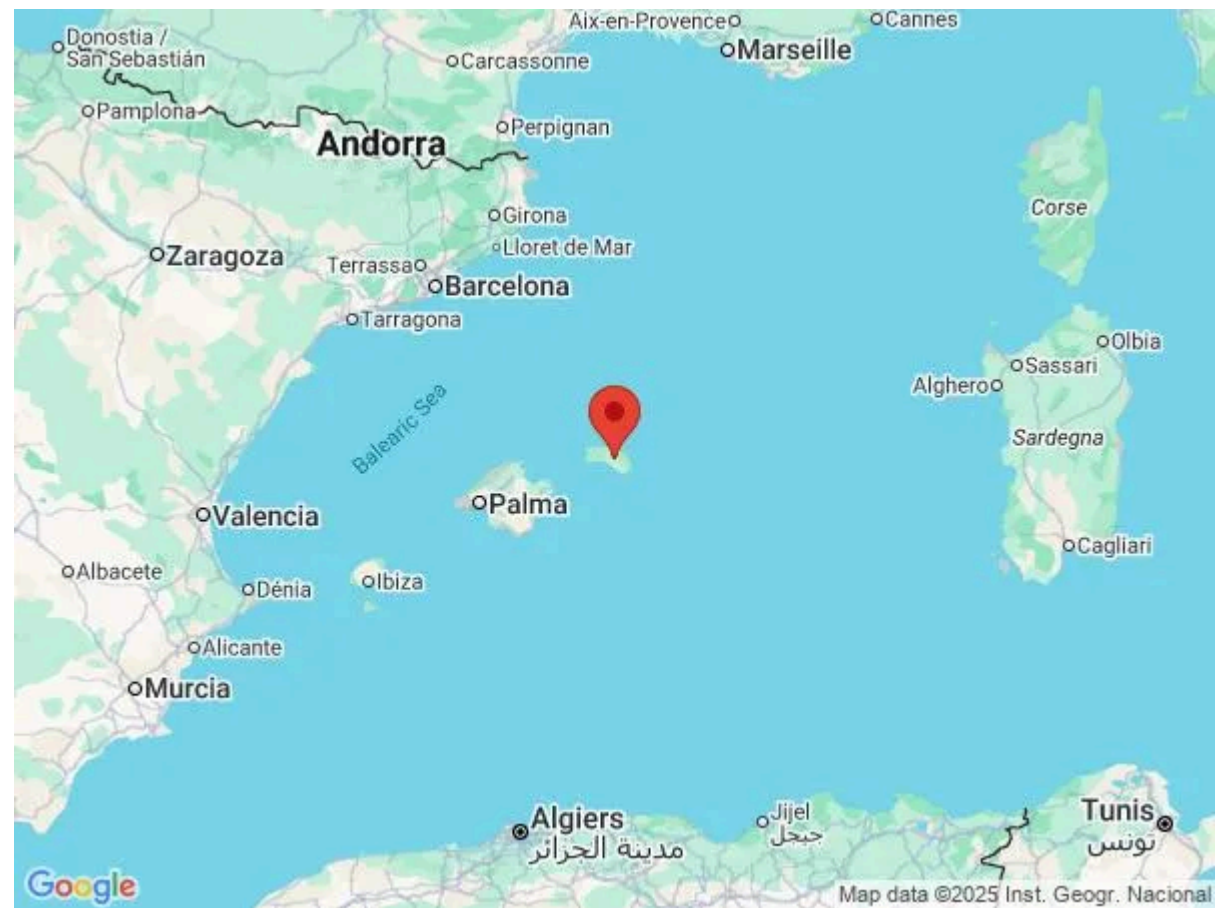

Casa Magestic is located on the outskirts of Alaior, a small town in Menorca. This wonderful villa is situated just seven-minutes' drive from Son Bou, the largest and one of the most popular beaches on the island. The charming town centre is just a short walk from the front door and boasts bustling local shops, bars and restaurants, with plenty of variety for your holiday! Menorca airport is only a 15-minute drive from the villa, so you can settle in to holiday mode within minutes of getting off the plane!

Mahon (Maó), just 20-minutes away by car, boasts a stunning natural harbour and is surrounded by a colourful collection of old fishermen's houses and a plethora of fine cosmopolitan eateries and café bars. Walk up the ancient steps to the old town with characterful cafés, interesting shops and the colourful food and fish markets.

To their immense credit the Menorquins have taken great steps to protect their environment. As a result, the island's rugged coastline still offers a huge number of beautiful sandy coves (calas) to explore. The south of the island has lush pine groves, white sandy coves, isolated rocky inlets and busier beaches. The best known beaches in this area are Binibeca, Son Bou and Punta Prima.

Menorca is an island full of diverse charm, beauty and extremely welcoming inhabitants. Over the centuries, diverse cultural influences have bestowed on the island a distinctive character, evident in its landscape today. Ancient dry stone walls can be seen dividing the surprisingly lush green fields all over the island, stone monuments and burial mounds are plentiful and charming traditional Spanish Fincas can be seen scattered throughout this very pleasant landscape.

Located on the western side of the island is the lovely old port of Ciutadella with its maze of cobbled streets and striking architecture and many plazas and squares. This is such a delightful town, great for walking and people watching, as well as dining al fresco at one of its many fine restaurants and café bars.

For those who enjoy the outdoors, and are keen to explore, why not walk along a section of the Cami de Cavalls, the ancient bridle path that encircles the island and there are also many other lovely well signposted footpaths and cycle routes.

What you should know...

- Due to the quiet location, we would recommend a car to explore the surrounding areas
- The air conditioning is only available in the second-floor room, however there are ceiling and standing fans in all bedrooms and communal areas.
- Please note, the house walls are made of local sandstone, shedding small grains despite thorough cleaning. This charming quirk is unavoidable due to the property's rich history
- Walking distance to a village/restaurants however please note that some parts of the route do not have pavements
- Gated pool area with a coded padlock. It is the responsibility of the guests to check the pool gate is locked on arrival and remains locked during their stay
- Please note that this property backs on to open countryside, so guests may experience some wildlife during their stay including bees and wasps (if this occurs, the owner can contact a local beekeeper to help remove them if needed)
