

Paradise View Villa

Region: Speightstown **Sleeps:** 12

Overview

Paradise View Villa is introduced as a sleek and secluded beachfront retreat, set within 1.2 acres of tropical gardens on Barbados's Platinum Coast. The experience is shaped by soft coastal light, pale limestone floors, clean architectural lines, and carefully selected furnishings from celebrated designers such as Ralph Lauren, Christian Liaigre, and B&B Italia. The atmosphere feels effortless, yet every element has been arranged to enhance calm and comfort. A 25 metre mosaic lined pool becomes the centrepiece of outdoor living, supported by a personal concierge and a dedicated team that includes a chef, butler and daily housekeeping. Five en suite bedrooms in the main house open onto a sea facing terrace and spa inspired bathrooms, with the master suite offering a freestanding tub positioned to overlook manicured gardens that lead to the shoreline. A sixth bedroom is set within a private guest cottage, creating an ideal arrangement for extended groups or travelling staff.

Life at Paradise View Villa unfolds through quiet mornings, al fresco breakfasts, and unhurried afternoons shaped by warm breezes and panoramic Caribbean views. A fully equipped Boffi kitchen and separate chef's kitchen allow every meal to be curated to personal tastes, while the open air living area is cooled naturally by the sea. Those seeking indoor relaxation can retreat to a glass walled study, a gym fitted with modern equipment, or a media room complete with cinema screen and streaming access via iTunes and Netflix. Sonos surrounds the main living spaces, and watersports equipment such as two kayaks and an inflatable paddleboard is provided for coastal exploration. Speightstown's restaurants, bars and galleries are only a short drive away, placing local culture within easy reach. With warm hospitality, soft sands and a gentle shoreline that shifts seasonally, Paradise View Villa offers

an experience that stays with guests long after they depart.
