Location & Local Information

Pollença is an alluring town, at the base of the Tramuntana mountains, which is the largest natural reserve on the island, well known for its beauty and scenery. It was recently declared a World Heritage site, and the mountain range offers spectacular views and is a beautiful destination for hikers, cyclists and even bird watchers.

Pollença is also rich in history with the famous Calvari steps which are a 365-step stairway that leads up to the chapel on the top of the hill known as Calvary. It is also home to a Romanesque 19th-century bridge that is shrouded in mystery, as no one knows for sure its origin.

Nearby you have Alcudia which is one of the most visited destinations in Mallorca, with its history, charm and gothic revival architecture. It has plenty of magnificent, scenic sandy beaches for you to explore stretching several kilometres giving your party ample space to explore, some even offer great places to snorkel (not all of the beaches that can provide this activity will have the equipment to hire).

For the families or the kids at heart, there are the Alcudia Hidropark with a water golf course, water slides and pools. You may also pursue the streets of Alcudia for their open-air street markets and sample the food they have to offer.

There is so much to explore, experience and take in as you visit the nearby towns, there indeed is something for everyone in this historic and stunningly beautiful part of Spain.
