Location & Local Information

Ponta do Sol is a favourite amongst visitors, as it tends to be the sunniest place on the island and you can enjoy dramatic views of the sea splashing off the rocky beach. One of the oldest municipalities in Madeira, Ponta do Sol is one of the most attractive and character-full towns on the island, with small streets and lanes that have been carefully preserved along with the delightful town houses. Some of these have been transferred into small hotels, bars and restaurants.

Seasoned golfers will be eager to visit the Palheiro Golf course which is situated only 30 km from the villa. Set within the wonderful 200-year-old Palheiro Estate beside five-star hotel Casa Velha do Palheiro, the golf course itself is a beautiful sight worth admiring. So, even if you don't play, you can enjoy taking in the arresting scenery.

The 18-hole championship golf course was designed by golf architect Cabell B. Robinson and sits almost 500m above sea level so benefits from striking views over the skyline and ocean. The course is also home to a wonderful botanical woodland containing vegetation and beautiful fragrant flora.

Funchal Airport is only 40 km away from the villa.
