

Casa Elvira

Region: Ibiza Sleeps: 8

Overview

Located in the tranquil countryside of Ibiza, a backdrop of lush rolling hills and clear blue skies frames the tall white walls and traditional villa Casa Elvira. The Mediterranean villa's location allows for peace and relaxation for your downtime whilst remaining connected to amenities, only 2.5km away from Santa Eulalia village.

Casa Elvira is set over two floors, each room embodying a traditional and rustic design and bright pops of colour. Exposed wood beams, colourful cushions and cosy furniture combine to make you feel at home in the wonderful Ibizan villa. There is a spacious sitting area on the ground floor with a large red sofa with plump pillows for you to sink into during your downtime. Use this cosy spot to put your feet up, use the TV in the corner, socialise, or connect to the Wi-Fi. On the ground floor, you will also find two games rooms, one with a pool table and mini bar and another with a TV and XBOX console.

There are four bedrooms across the two floors, with two doubles and two twin rooms. Each bedroom has a traditional design and features pops of vibrant colour similar to the rest of the house. Each is spacious, with plenty of room for you to really get settled in and feel at home. One of the bedrooms is on the top floor and has access to a covered balcony with incredible views of the rolling hills. To complement the four bedrooms, the villa has four bathrooms; two have showers, and two have bathtubs. This means that each room is able to claim a bathroom as their own, and there will be next to no queue times in the mornings!

Casa Elvira has an open-plan kitchen and dining area with everything you need to make your meals during your stay. Choose to dine al fresco by making use of the outdoor dining table or even go a step further by grilling up fresh

meat and vegetables on the outdoor barbeque next to it.

Stepping outside into the warm sun, you will be met with the incredible, fenced and raised pool area. In the centre of it is a large "L" shaped pool with a stepped entry – making it easier to access for everyone. Take a dip in the cool waters or catch a tan on one of the sun loungers lining the area. There is also an outdoor shower here, so you can wash off after being in the pool.

In both the fenced pool area and a couple of spots around the properties outside, you will find some daybeds for your use, with comfy bedding and soft pillows. These are perfect for taking a nap outside and enjoying the Mediterranean breeze through the flowing curtains. Outside you will also find a table tennis set for when you feel like striking up some friendly competition!
