The property's striking exterior separates the main salon with the various terraces using grand pillars and arches. There are also 2 acres of established gardens, teeming with hibiscus, bougainvillea, orchids, and ixoras, that surrounds the entire estate. Upon entering the villa, you will see the main salon, an open-plan area filled with antique furnishings. The main living area uses a circular seating arrangement, perfect for family movie nights and creating lifelong memories. Beyond this salon is a luscious terrace that is equipped with both a seating and dining area, making it a marvellous place for socialising whilst gazing out towards the ocean waves. Additionally, this terrace leads out to your very own swimming pool, suitable for cooling off after a long day under the Bajan sun.

The main house at Annatto is the true jewel in the estate's crown as it is home to both the master bedroom and two guest rooms. The master bedroom is fitted with high-quality linens, a large flatscreen TV, and a spacious en-suite bathroom. This room also opens up to an additional seating area, which is ideal for capturing the sunrise over the peaceful Caribbean waves. Moving into the two guest bedrooms, each room contains beautiful, canopied beds and personal en-suite bathrooms. These rooms are

decorated with royal blue and gold furnishings, giving you an immaculate night's sleep.

The property's fourth bedroom is located in the one-bedroom lodge found on the shores of the estate. This quaint addition to the property also has access to a plunge pool, giving guests a more intimate and private experience.
