Location & Local Information

Puerto Pollença was an old fishing port in beautiful Pollença. As it was an old fishing port, it retains some of its old-time traditional aspects which you'll be quickly exposed to on a stroll through the town. You'll find a great collection of cafes and restaurants, and if seafood is a favourite of yours, then you'll be in great company here.

Puerto Pollença has beautiful sandy beaches for you to explore, and the atmosphere overall is laid back, and friendly, families and couples return time and time as it remains a favourite with them! From the horseshoe-shaped bay, you can see the stunning Tramuntana mountain range, which was recently declared to be a world heritage site – their beauty is spectacular.

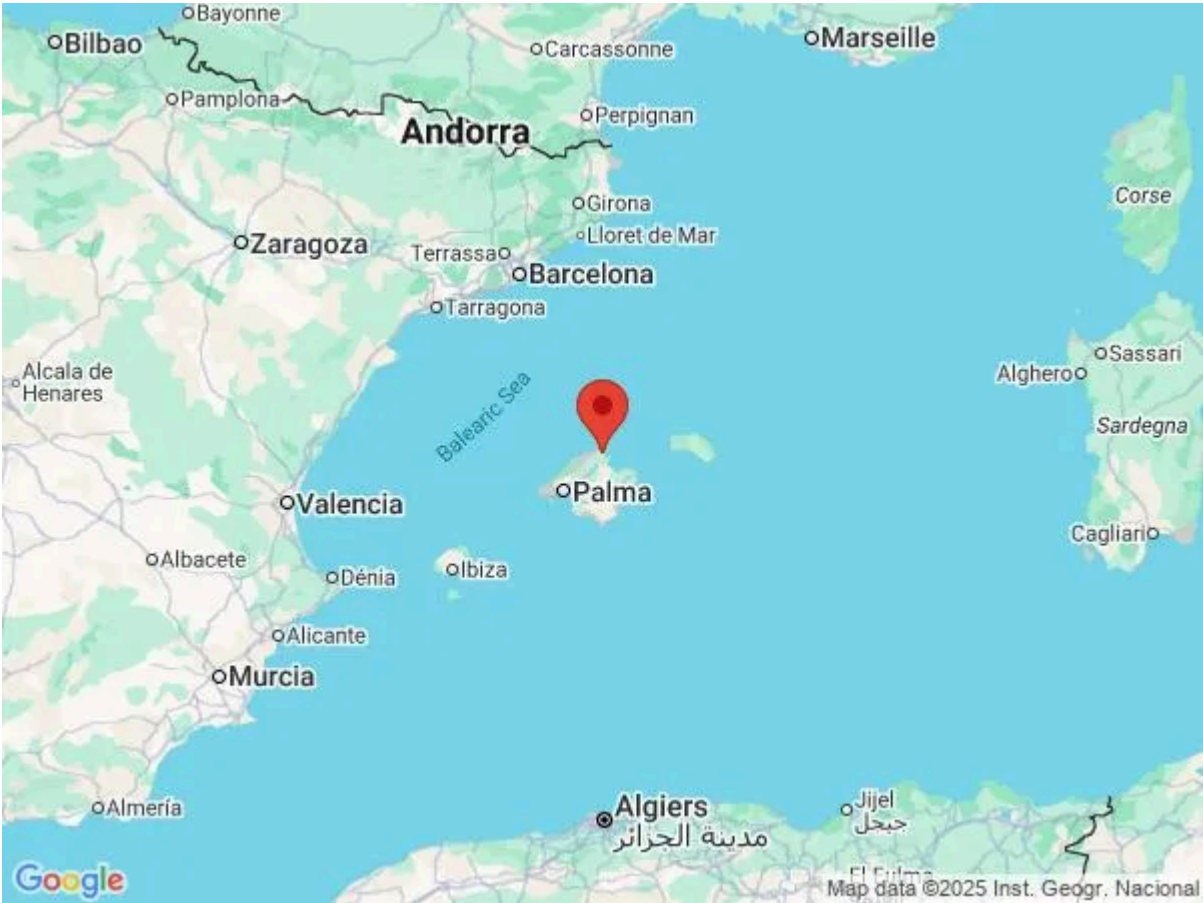

Nearby you have Alcudia which is one of the most visited destinations in Majorca, with its history, charm and gothic revival architecture. It has plenty of magnificent, scenic sandy beaches for you to explore stretching several kilometres giving your party ample space to explore, some even offer great places to snorkel (not all the beaches that can provide this activity will have the equipment to hire).

For the families or the kids at heart, there is the Alcudia Hidropark with a water golf course, water slides and pools. You may also pursue the streets of Alcudia for their open-air street markets and sample the food they have to offer.

No matter what you are looking for in your holiday, you'll find something here for everyone in this beautiful part of Majorca.
