Overview

Villa Milfulles provides the perfect getaway for holidaymakers seeking luxury in the Ibizan countryside. The home benefits from a traditional style and a huge palm tree in the garden that you can almost touch from the indoor living area.

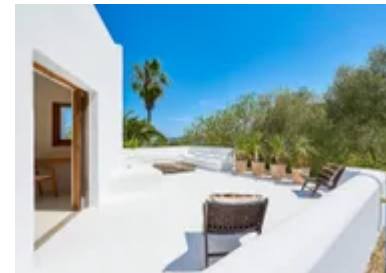

Sunbeds are dotted around the large pool to take optimal advantage of the glorious days filled with sunshine. The gorgeous green hills make up the backdrop at Villa Milfulles and can be admired from the large outdoor lounge on the sheltered veranda. The garden also boasts colourful plants and trees that grow up the villa's walls like artwork. Guests who wish to dine al fresco can do with a charming dining table placed amongst the garden's trees and enhanced by lovely twinkling fairy lights.

Inside, modern artworks decorate the home's walls and wooden ceilings provide a rustic feel. In the living area, contemporary built-in bookshelves are brimming with books that you can indulge in on the comfy furniture. The home's interior emulates an exclusive art studio, yet it is extremely cosy and welcoming.

The indoor dining area features striking stone walls which will add elegance and style to dinner parties. This is a wonderful room to entertain guests in and contains a large glass door that provides views of the immaculately-kept garden.

Location & Local Information

Can Berri Vell is the nearest restaurant and is housed in an authentic Ibizan 17th century house. The restaurant serves local, Mediterranean, European and Spanish cuisines and provides a great social ambience. There are also vegetarian, vegan and gluten-free options.

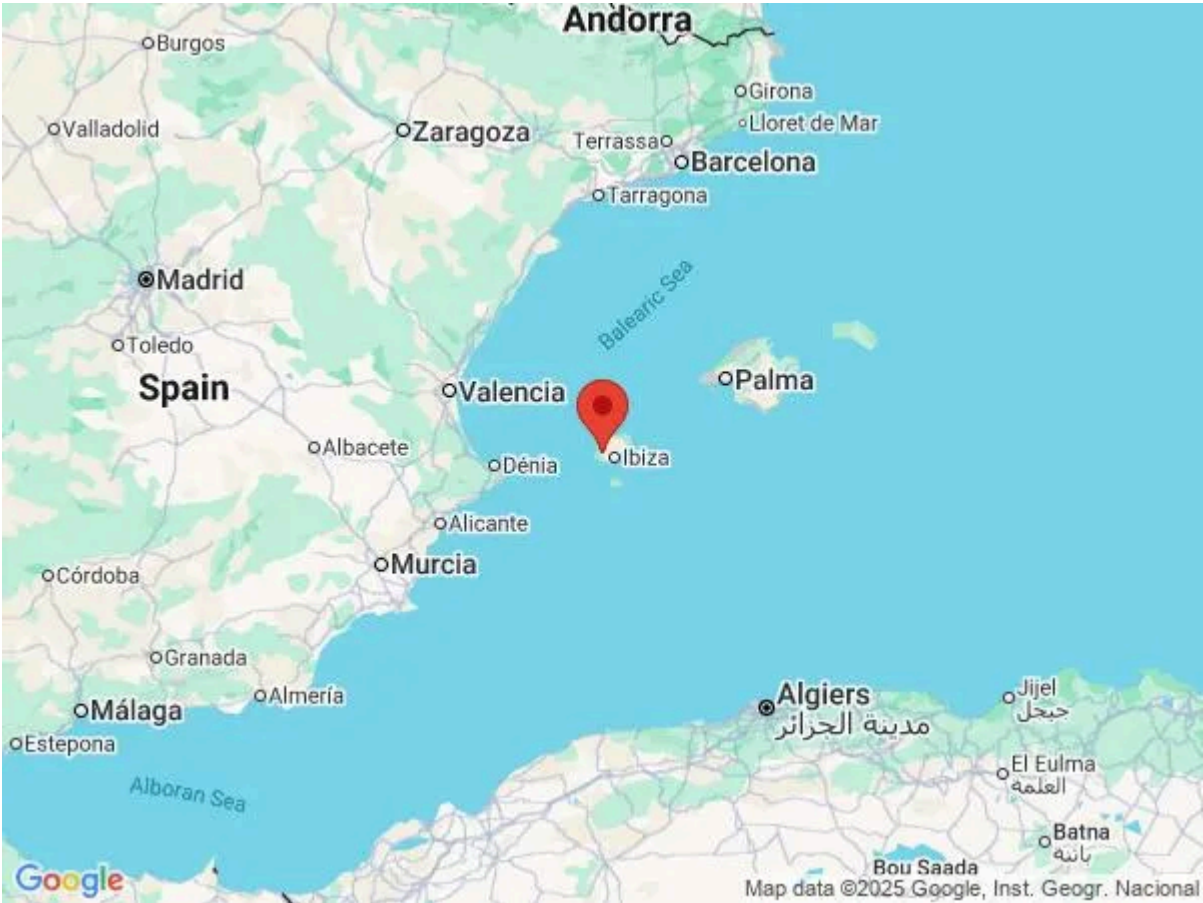

Can Berri Vell boasts a magical setting with outdoor seating in the courtyard, overlooking the lovely countryside views. Visitors will have the opportunity to try tasty and authentic Catalan style food as well as a beautiful Spanish wine list. The seafood and meat are particularly excellent here with a great selection to choose from.

The town of San Agustin is just a short stroll away, located in between the towns of San Antonio and San Jose. The charming town is full of dazzling white buildings and lush indigenous plants and trees – it’s a wonderful experience simply walking around this town, undisturbed by tourism.

San Agustin sits on a hilltop that looks over the glistening West Coast of the island and is so quiet you can hear the local birds gently chirping in the background. Visitors will be charmed by the small selection of traditional Ibizan bars and the beautiful Church of San Agust. This is one of the most untouched villages on the island. The church provides epic panoramic views over Ibiza and was first inaugurated in 1806. The building is an example of authentic Ibicenco architecture.
