

Villa Martineta

Region: Ibiza **Sleeps:** 8

Overview

Villa Martineta is a tastefully styled home nestled in the tree-lined cliffs. The interior is modern and artistic, full of one of a kind statement pieces, smooth floors and plush white furniture.

The home boasts two living areas. The first sees an L-shaped white sofa surround a low coffee table and flat screen while benefitting from pool and ocean views via the glass sliding doors. The second is situated on a mezzanine level and boasts additional comfy seating. Come here to kick back and socialise with friends before heading out to the pool.

In the kitchen, bar stools are placed beside a central island and a small dining area for six guests, providing a casual space to enjoy dinner. One of the bathrooms feature a glorious wrap around window oozing in natural light – this is the perfect place to pamper yourself! The master suite benefits from access to the upper terrace and a luxurious jetted bathtub where you can bathe as you admire the charming sea views.

Outside, views over Ibiza Town can be enjoyed from the private infinity pool and surrounding sun loungers. From the garden, guests can also gaze at the memorable vistas over the island of Formentera. The most unique element of this home is the fact that it's been built into the existing hillside, so is completely at one with nature. Holidaymakers who prioritize phenomenal views, will not be disappointed with Villa Martineta.

Location & Local Information

Nearby beach restaurant PK2 is a fantastic way to enjoy delicious cuisine on the glorious sands of S'Estanyol. The laidback beach venue boasts a delectable Mediterranean menu with classics including bread and aioli, fresh seafood and paella.

The restaurant offers wonderful views over the beach and glistening sea while putting on some of the most lively parties on the island with renowned DJ's. The meat and fishes served here are irresistible, try them with one of the excellent wines.

Es Cavallet beach is a dreamy golden stretch of sand and sparkling transparent waters. The beach is backed by pretty dunes and is one of the island's official nudist beaches. Most of the nudists flock to the centre of the beach, leaving the remaining areas relatively peaceful.

Come here for a quiet walk in the mornings and revitalise yourself from an evening full of wining and dining. The vistas over Ibiza Town and the island of Formentera are simply mesmerising against the vivid aqua blue waters.

During the summertime, upbeat music and a party atmosphere take over the beach in the afternoons and evenings. However, Es Cavallet is a fair distance away from the crowds of party-goers that crowd some of the other beaches. There are also lunch options available at this beach. Restaurante La Escollera is a laidback and traditional Spanish and seafood restaurant popular with locals. Chiringay is a lively venue with plenty of seafront dining options and serves fresh fish and meat dishes as well as pasta and snacks.

Es Cavallet is around a 25-minute drive away from Villa Martineta.
