Location & Local Information

Cala Salada and its smaller neighbour Cala Saladeta are two of Ibiza's most enticing coves, tucked away among pine-forested hills just outside San Antonio, and located a short drive from Villa Anturio. With their golden sand and crystal-clear turquoise waters, they offer a peaceful escape and some of the island's most beautiful swimming and snorkelling spots. Cala Salada is the larger beach, with a relaxed restaurant and facilities, while Cala Saladeta feels more secluded and natural, reached via a short coastal walk that rewards visitors with an even quieter slice of paradise.

Food lovers will be tempted by the restaurant's varied menu of fresh fish, meats, salads, pasta dishes, and its renowned lobster stew. For those keen to explore further beneath the waves, the nearby Scuba Ibiza Diving Centre is an excellent choice, whether you are a beginner or an experienced diver. With friendly instructors teaching in seven languages, free pick-up services from nearby resorts, and underwater photography equipment available, it's a memorable way to capture your adventures - all just around a 35-minute drive from Villa Anturio.
