

Villa Patagua

Region: Ibiza Sleeps: 8

Overview

Villa Patagua is a lavish and large home perfectly situated on Ibiza's dazzling west coast with vibrant green hills in the background.

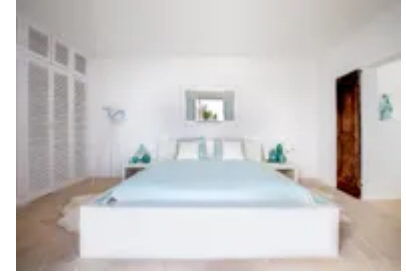

The home's interior emphasizes calmness and leisure. Bar stools in the kitchen are ideal for enjoying breakfast or a light snack. The living area is modern and stylish with white walls complemented by charming stone walls and a classic wood burning fireplace – this is where old meets new.

A white dining table with matching white chairs for six provides a wonderful place to enjoy sociable dinners and a white I-shaped sofa in the living area surrounding the fireplace is ideal for cosy nights in.

The styling and décor of the home are consistent throughout. The villa's bedrooms emphasize peace and tranquillity through neutral colours and hints of sky blue. Floor length windows accentuate natural light and three of the four rooms feature an en suite bathroom.

Sunsets at this villa are absolutely mesmerising, especially from the infinity edge pool that looks out onto the miles of scenery. The pool also benefits from Roman steps for easy access and is a brilliant way to start your mornings.

The attractive stone pool patio possesses comfy sun loungers where days can be spent taking in the full power of the Mediterranean sun rays. There is also an exterior sofa on the patio which can be accessed from one of the bedrooms – you'll be the lucky one if you get to stay in this room!
