

Villa Beaming Sun

Region: Speightstown **Sleeps:** 8

Overview

Villa Beaming sun is a plush beachfront home offering a lavish oasis of decadence, style and luxury on the glittering West coast of Barbados. Like a waterside palace, this unique home is bursting with colonial elegance and Italianate influences, from fountains, statues, ornate decorative touches and sleek marble pillars against dazzling white coral.

Overlooking the beach, which is accessible at the end of the garden, the villa's majestic facade of creamy tones features a beautiful cloistered veranda and elegant covered balconies - guests may sit back enjoying the ocean breezes and magnificent sunrises with their morning coffee, or crimson sunsets with a rum cocktail!

The arched doorway is like a window to the sea, framed by an explosion of colour, whilst the pool sits regally just a few steps from the villa's front door; a gorgeous azure set amid tropical vegetation and tall, regal planters spilling over with vivid flowers.

With a fully equipped dining porch, service counter and bar, this home offers the ultimate stylish setting for outdoor living; from flamboyant pool parties to refined afternoon teas in the colonial, Bajan tradition, to post-swim breakfasts with the trade winds softly cooling - this home is the quintessential entertainer's dream.

The interiors are no less alluring; unapologetically luxurious, the open plan living spaces are airy, well-proportioned and awash with decorative flair. Nautical themes meet Italianate embellishments; from alcoves to Roman style water feature with rockery, to marina blue tiles against brilliant white stone and coral.

Polished mahogany furnishings, chic lighting and antique gilded mirrors and frames offer an edge of colonial glamour, whilst all the contemporary touches are in place, offering a seamless level of comfort within lavish styling.

Four bedrooms, each with en-suite bathrooms, offer ocean views; guests can enjoy the sunsets from the privacy of their suite. Each suite has unique quirks, whether it be vivid accents of cobalt blues, pretty porcelain ornaments or a chic writing desk, or soft pistachio greens with coral coloured candy stripes. Three of the rooms are Doubles and one is a Twin.

Three discreet staff members providing cooking, house-keeping as well as concierge services for arranging water sports.

Villa Beaming Sun, so aptly named, leaves a smile on guests faces; a charismatic home which doesn't compromise when it comes to a little indulgence, and decorative panache, for a glamorous setting from which to enjoy the glittering jewels of the "platinum" coast.

Location & Local Information

Villa Beaming Sun is nestled in a premium beach front position in the exclusive West Coast of Barbados, also known as the "platinum coast" for its pristine beaches and turquoise waters. Despite this region being developed with high-end hotels and stately private residences to an international jet-set, its coast remains one of the most beautiful Barbados has to offer. With the recent development of extensive boardwalks, visitors can enjoy spectacular sunset strolls with the glittering sea as their companion.

This majestic home enjoys the best of a beach front location as well as proximity to the second largest town in Barbados: Speightstown (2.4 km), also known as 'little Bristol,' a vibrant town brimming with colonial charm.

Speightstown is characterful and historic, showcasing an eclectic and interesting mix of architecture - buildings with colonial roots, new developments, vividly coloured street vendors and fishermen unloading their catch on the jetty.

The Royal Westmorland Golf course is 3 km distance from the villa, whilst the island's capital, Bridgetown is 16 km. Starting from the National Heroes Square with its Lord Nelson statue, visitors can explore, shop and meander on foot.

Holetown (only 5 km south) will offer a slice of local Bajan life. The Chattle village is a melting pot of artisans, offering local crafts, art and jewellery. The Chattle houses provide a striking contrast to the colonial residences with their dazzling white coral facades and open verandas; the former are vividly coloured with fancy gables and gingerbread fretwork. The Chattle houses date back to plantation days; the small wooden shacks were designed to be movable, yet this didn't limit their decorative charm; finished in candy pinks and pistachio greens with pretty shutters and sloping roofs.

Water sports enthusiasts will be in their element, from sailing to snorkelling, jet-skiing to kite-surfing, Barbados

has it all. One of the greatest delights of this island is boarding the sparkling waters for a catamaran cruise, along with a decadent buffet meal and drinks.

St Nicholas Abbey (to the east of the villa) is a magical, mystical spot, in the hills of St. Peter, offering over 400 acres of lush tropical overgrowth, impeccably manicured gardens, mahogany forests and undulating sugar cane fields.

Barbados is a place of contrasts, from movie-star hedonism to cane-cutting village life and artisanal fare; from fishing villages to dramatic, rugged Atlantic coastlines - visitors will enjoy a vivacious diversity within a very accessibly-sized island. A unique blend of vibrant, local life and colonial-influenced afternoon teas alongside cricket matches on the green!
