Location & Local Information

The west coast of Barbados is a blend of exclusive and high end developments attracting a well-heeled, international jet-set, majestic beaches known informally as the “platinum” coast and intriguing local Bajan life blending with gracious, colonial architecture.

From the prestigious Westmoreland Golf Resort, guests can access an array of leisure activities, from fitness centre, to spa, to tennis, and of course world-class golfing. A shuttle bus takes guests to the nearby Mullins Beach where they also have access to the Clubhouse.

Water sports enthusiasts will be in their element, from sailing to snorkelling, jet-skiing to kite-surfing, Barbados has it all. One of the greatest delights of this island is boarding the sparkling waters for a catamaran cruise, along with a decadent buffet meal and drinks.

Holetown (only 4.8 km south) will offer a slice of local Bajan life. The Chattle village is a melting pot of artisans, offering local crafts, art and jewellery. The Chattle houses provide a striking contrast to the colonial residences with their dazzling white coral facades and open verandas; the former are vividly coloured with fancy gables and gingerbread fretwork. The Chattle houses date back to plantation days; the small wooden shacks were designed to be movable, yet this didn't limit their decorative charm; finished in candy pinks and pistachio greens with pretty shutters and sloping roofs.

Speightstown (6.8 km distance) is also known as “little Bristol” - this town offers evocative local life, fisherman casting their catch on the jetty, a distinctly nautical feel along with street vendors and eclectic dining options. The island's capital, Bridgetown (15.8 km distance) is known for its British colonial architecture and historical sites blending with colourful shopping, an abundance of sea based activities and UNESCO world heritage status.
