

Villa Rivo

Region: Le Marche Sleeps: 8

Overview

Villa Rivo is a modern retreat designed for tranquillity, style, and comfort, nestled in the rolling hills of Le Marche. This contemporary holiday home blends clean, zen-inspired décor with unique touches, including a carefully curated collection of Far East antiques and art, creating a serene and distinctive atmosphere throughout.

The open-plan living and dining area is the heart of the villa. Here, you'll find a comfortable sofa, television, and a classic wooden dining table for up to eight guests, with doors opening onto the terraces for al fresco evenings. The semi-professional kitchen is fully equipped, perfect for preparing anything from casual family meals to impressive dinner parties.

Villa Rivo offers four spacious double bedrooms, each with an en-suite bathroom and a private outdoor seating area, giving guests both comfort and privacy. The restful atmosphere continues into the villa's dedicated yoga studio, with wide windows framing sweeping countryside views that make relaxation feel effortless.

Outdoors, the property comes into its own. Expansive terraces, manicured lawns, and peaceful garden corners create plenty of spaces to unwind. At the centre lies the star feature: a large, private swimming pool lined with sun loungers and set against the stunning backdrop of Le Marche's hills. The outdoor dining areas are ideal for leisurely meals under the stars, with sunsets creating unforgettable moments.

Though the countryside setting encourages rest and seclusion, the villa is conveniently close to nearby villages and within easy reach of the Adriatic coast. Hiking and biking trails begin at the doorstep, while the wider region offers charming towns, local culture, and sandy beaches just a short drive away.
