## Overview

Imagine sipping on cocktails and picking at a local fruit platter as you overlook the Indian Ocean. All you can hear is the sound of the waves crashing and salt air fills the air. It sounds like paradise, and that is exactly what Seseh Beach Villa I is.

Located in the peaceful village of Seseh, on Bali's south-west coast in Canggu this villa can offer a slice of solitude for ten guests.

The villa oozes luxury and tropical charm, with plants indoors and outdoors and you are never far from a large window or door that can open to the vast outdoor garden and sea views. Everything is created with relaxation in mind, large comfy sofas, four-poster beds. It's the kind of place you want to luxuriate in, roam around in a robe in.

The villa offers five bedrooms, two master suites and three guest rooms. The master suites are both located upstairs in a separate wing, offering privacy and stunning views of the sea. The four-poster king-size beds take prime position in the room and catch the sea-breeze from the balconies. Both rooms have en-suite bathrooms, with both an indoor and outdoor shower and a rooftop soaking tub.

The three guest rooms are downstairs, at the front and back of the house. They are furnished with king-size beds that convert into twins and have large glass doors that open out to the terrace, again offering sea-breeze and the sounds of the waves.

The private spots for a sneaking a moment of solitude are plentiful, from the master-bedrooms terraces to the outside nooks and seats. There are also numerous areas that were created with gatherings and socialising in mind.

There are two open-plan living and dining areas, both inside and outside offering the optimal enjoyment of the tropical weather.

The indoor areas are air-conditioned and have large ceiling to floor glass windows and doors for optimal enjoyment of the view. The living room has a large satellite-channel television, which is hidden behind sliding screen doors. It's the perfect room for movie night, or for games on the PlayStation and Xbox. The lounge and dining pavilion outside is at the opposite end of the swimming pool and is furnished to seat 12 guests so meals can be enjoyed together as the sun is setting on your day.

The large private pool awaits, offering respite from the heat of the day. The crystal-clear waters will call you in.
