

Keemala - Clay Pool Cottage

Region: Phuket Sleeps: 2

Overview

Inspired by the Earth-rooted “Pa-Ta-Pea” clan, these cottages reflect a deep connection to nature through grounded materials and gentle, organic design. Traditionally, the clan built their homes directly on the soil, crafting walls, floors, and even beds from earth and clay. This spirit lives on in the villa’s natural textures and calming atmosphere, complemented by views of the surrounding rain forest and resort. The spacious bathroom features double vanities, an indoor monsoon shower, an outdoor shower, and a freestanding bathtub for unhurried relaxation.

Covering 126 m², including a private 30 m² pool and outdoor terrace, the one-bedroom villa accommodates up to two guests with a super-king or twin beds. Thoughtful touches include specialty coffee and tea, a non-alcoholic minibar, high-speed internet, an interactive 42" TV, and locally made Keemala toiletries. Guests also enjoy personalised hosting, nightly turn down service, fresh tropical fruit, and access to a 24-hour fitness centre.
