Location & Local Information

The house is located on the Costa da Morte, where there is plenty of beautiful countrysides in which to walk, hike, cycle and relax. Spectacular beaches and the Baldaio-Razo natural area are roughly fifteen minutes away, and you can also surf, horse ride and play golf in the local area. The charming town of Carballo, just ten minutes away, plays host to a mouth-watering market every Thursday and every other Sunday. Or you could take a day trip to A Coruña, around thirty minutes away, or Santiago de Compostela, just over forty-five minutes away, and the neighbouring towns of Fisterra, Ponteceso and Malpica.

The nearest airport is in A Coruña, approximately thirty minutes away, so getting there couldn't be any easier! There is a bus stop close by to the villa, and the closest restaurant or bar is just 500m from the villa. The nearby sandy beach, located in Arnados, is just a fifteen-minute drive away.

The nearby city of A Coruña is definitely worth a visit; steeped in history and culture, it has maintained close links with its old fishing and commercial port. The peninsula on which the Old City stands also contains the Tower of Hercules, one of the symbols of the city, which is an interesting Romanesque collection of streets, squares and medieval churches. Its lively streets are lined with fine examples of Romanesque architecture. One of the most beautiful is the church of Santiago. Built in the 12th century, it is the oldest church in the city, with later additions from the 14th and 15th centuries. Inside, the nave is wide, with pointed arches and a polychromed statue of St. James the Apostle, which dates from the 13th century.

Santiago de Compostela is also located just under an hour away; there are many reasons to visit this beautiful city: history, nature, leisure, and gastronomy are some of the things that tourists can enjoy. Visit the famous cathedral and get lost in the narrow streets and squares that make up its historic quarter with centuries of history and

majestic buildings, many of them from medieval times. If your feet get a bit tired from all the exploring, hop onto the city's Tourist Train and be driven around all of the sights. It picks up passengers in Plaza del Obradoiro.
