Location & Local Information

This beautiful villa is located in an area that is absolutely amazing, just 5-minutes walking from Liméns beach and other picturesque beaches with turquoise waters in the spectacular area of Cangas.

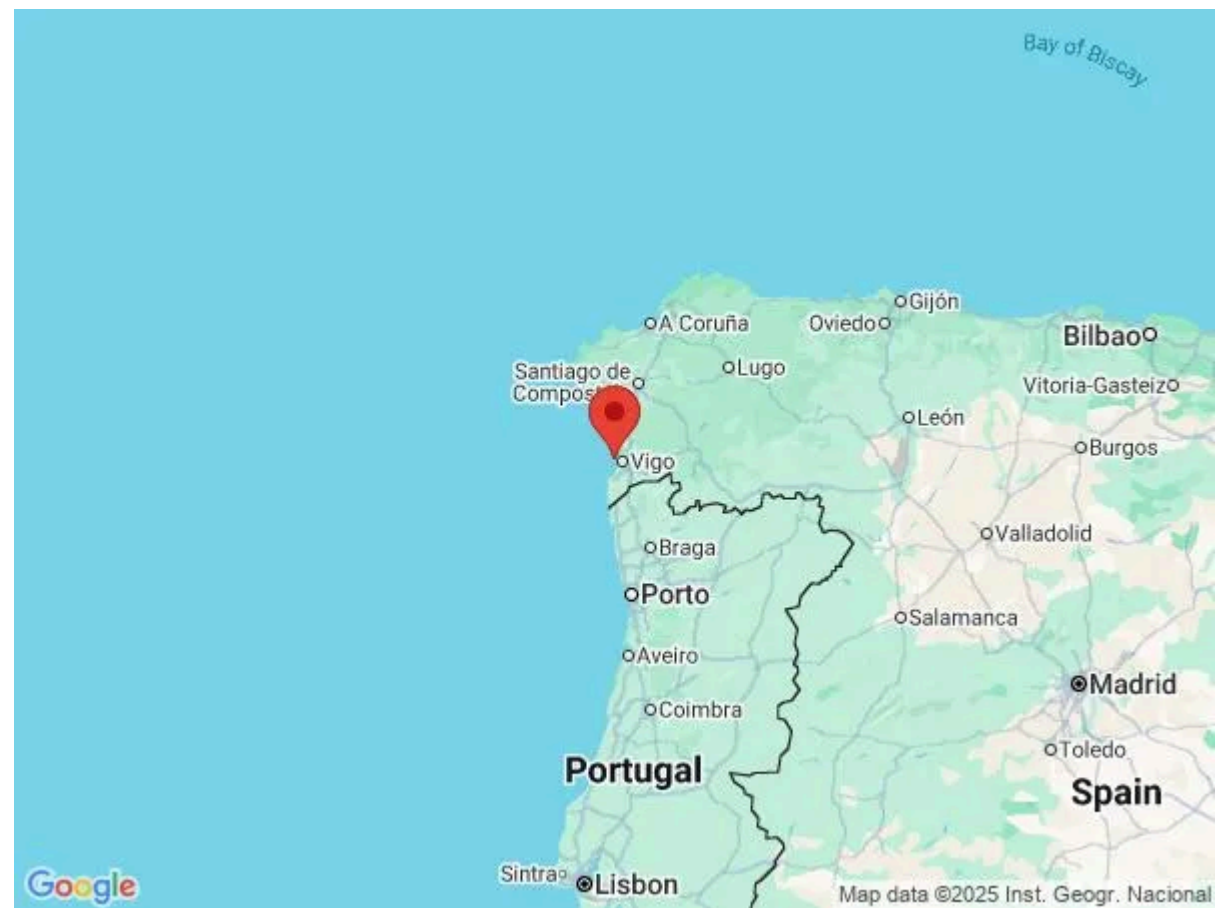

The town of Cangas is just a 10-minute drive away, perfect for afternoons wondering around the pretty streets and evening meals out as a group. Cangas itself is a friendly town, with delicious local restaurants and bars for all budgets. With various cuisines, even the pickiest of eaters will find something they like! Thanks to its location, you won't be surprised to hear that it's the perfect place to try fresh seafood. Popular dishes include octopus, shellfish and mussels. With loads of water sport and outdoor activities available, including snorkelling, sailing, surfing and kayaking, there is no end to the entertainment on offer!

The beautiful city of Vigo is a short boat ride away, perfect for a day trip away from the villa. There is also a regular line of buses to the historical city of Pontevedra, so even if you don't rent a car, it is easy to get around!

The region itself is known for its green valleys, rugged mountains and wild beaches. Think bagpipes playing and baroque cathedrals, too – so, you might feel more like you're in Scotland than Spain. From Combarro, you can explore other must-see places like Sanxenxo and Pontevedra.

Pontevedra is beautiful and has a well-preserved old town. Stand in the shadows of the churches and wander through the charming squares here, before sampling local cuisine in one of the bars and restaurants. Fresh seafood like octopus, or other Galician specialities like empanada gallega – a large pie usually filled with meat – are on the menu. Then, wash it down with a glass of Albarino wine.

More worth-exploring cities include Vilanova de Cerveira and Caminha. You could also make tracks for Vigo, Porto or Tui. The latter is a Romanesque and gothic village that's

steeped in history. Take in the cathedral and churches there, before heading to the mountain of Aloia nearby. If you climb to the top, you'll be rewarded with views of Vigo estuary and the Louro valley below.
