Offering tonnes of space and an open plan design, which allows light to brighten the interiors, Villa Deniz has been constructed to a very contemporary and stylish specification. The ingenious architecture allows some indoor areas to be shaded and thus remain cool and is coupled with traditional building material such as stone and wood, with marble flooring providing a soothing cool touch to bare feet on hot Turkish days! The bespoke furniture used throughout the house matches the theme of the house and continues the ambience of grandeur ever-present throughout this villa!

A super comfortable, plump sofa sits in the living area and invites guests and families to get close and unwind to a movie on the media unit or large-screen television after exhausting days of activities!

The kitchen and dining area just behind the living area is of mammoth proportions so expect all of the usual amenities and a whole load more! The indoor dining table, complete with comfortable and stylish seats, will perfectly accommodate groups and families, even at maximum capacity!

The first of the four bedrooms sits on this floor and equipped with a double bed, television and an en-suite bathroom. This bedroom opens to the outdoor patio. Upstairs you will find the remaining three bedrooms that the villa offers, a twin room with two cosy single beds which can be joined together to make one large bed and two more large bedrooms offering double beds. Guests will be pleased to know each room contains air-conditioning and access to a sea view balcony and en-suite bathrooms!

Accessible across the entire ground floor and providing terraces in the upper floors, the exterior of Villa Deniz is sizeable and beautiful. With panoramic vistas on the ground floor and on the terrace, enjoy views of the sea and mountain as you recline on the many chairs and recliners dotted outside. Kalkan is a vibrant and friendly town and even has a city centre, so you will be able to find an array of amenities, facilities and services when necessary. The town also neighbours nearby rural villages, who have remained unchanged in their practices and cultures from centuries ago!

Visit the beaches on the coast, the furthest situated thirty minutes away by car! For a more built-up beach and for a quick stop off before visiting the area, Kalkan Town beach offers white pebbly beaches and crystal clear blue water. An array of cafes and bars also offer food and drink here. Kaputas Beach, famed for its outstanding beauty is another ten minutes from here, making it convenient for you to hit two beaches in one day. Relax on shingley beach with the option to dive into the mesmerizing azure sea or grab a drink or snack from the cafe and bar! Patara Beach, a national treasure of the country, is an uninterrupted stretch of delightful sandy shores and crystal blue waters and is the longest beach in the whole of Turkey!
