What we love

- Villa Enca is on the waterfront of Puerto Pollena, so you're close to the beach and sea, as well as plenty of restaurants, shops and bars
- The property has a walled exterior, so you've got even more privacy and added security while you relax and spend time in the garden and pool of the villa!
- There is a private swimming pool available so for those who want to have a dip at all hours, you're in luck. Additionally, the crystal-clear sea is at your doorstep!

What you should know...

- The swimming pool is unfenced so children must be supervised when around the pool area
- We recommend hiring a car if you want to explore further afield than Puerto Pollena, this will allow you to explore in your own time and you'll have access to everything that Mallorca offers
