## Overview

Casa Farol is a very attractive, 4-bedroom villa for eight guests in the charming, picturesque old fishing town of Carvoeiro. The design is very interesting with a turret formation and double-height aspect to the lounge. It is incredibly bright and airy and an ideal base for a wonderful Algarve holiday.

Carvoeiro is a fantastic destination if you are seeking a calm and relaxed holiday based in a characterful and charming town. The peaceful and welcoming ambience of Carvoeiro makes it an ideal location for families.

Situated on a lovely plot, the villa is walking distance to the town and only 200m to a restaurant. The spectacular beach is 1km away from the villa. The garden is very pretty with Mediterranean plants and shrubs and is fully fenced. The large 9m x 4.5m swimming pool is surrounded by a large terrace with sun loungers. There is a huge undercover part of the terrace for delicious alfresco meals cooked on the brick-built barbecue. The garden and terrace are very private.

The living room is very striking, all in white with a double aspect, sloping, beamed ceiling. It looks so cool and serene. This leads through to the elegant, open-plan dining and kitchen room. The kitchen is modern with glossy white units and is equipped with everything you would wish for. One of the double bedrooms is on this floor with access to the pool terrace and a lovely, sparkling ensuite bathroom with a wonderful shower.

Upstairs, there is a beautiful double bedroom with a stunning pool and sea views, and two further bedrooms with single beds. These bedrooms share an ultra-smart bathroom. All of the bathrooms in this villa are so sleek, modern and pristine. Amazing, contemporary 4-bedroom

villa at Sao Martinho do Porto on the splendid Silver Coast of Portugal within easy reach of Porto and Lisbon.

## Location & Local Information

Many guests choose Carvoeiro purely for a relaxed beach holiday, but there is a surprising amount going on within the area, including historic towns, superb golf courses, exciting boat tours, challenging hiking and cycling trails and the thrill of the Algarve's theme and water parks.

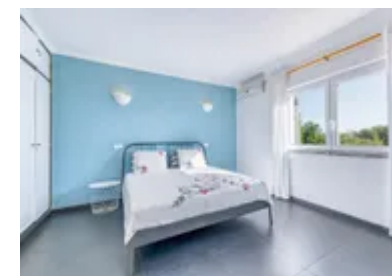

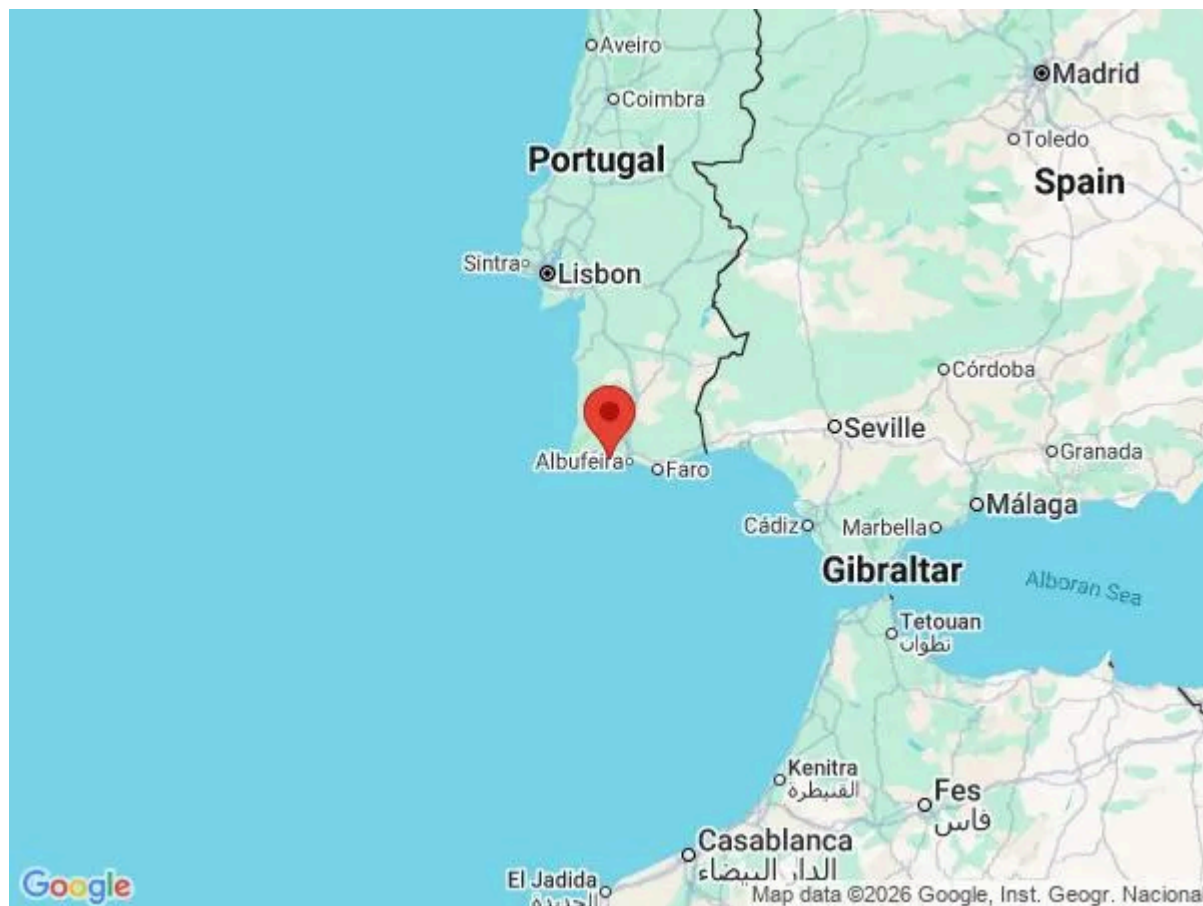

The Algar Seco cliff formation and the Carvoeiro boardwalk are so attractive. The beach is wonderful. The rear is lined by traditional fishing houses which have mostly been converted into tourist restaurants and bars. The beaches on this part of the coast differ from those from Albufeira to Quarteira as they are generally not huge expanses of sand. They are small coves surrounded by cliffs so are immensely more scenic. For scenery, the Praia da Marinha at the end of the Seven Valleys hiking route is probably the best.

Carvoeiro is the start of the 'Percuso dos Sete Vales Suspensos' (Seven Hanging Valleys hiking route). It is an 11.5km round trip following the dramatic coastline to Praia da Marinha in the east. The coastline is formed of massive limestone cliffs that have been eroded to create deep-sea caves, perilous sinkholes and incredible sea arches. Secluded beaches are sheltered from the power of the ocean in the hanging valleys. Quite a number can only be reached by boat as the cliffs are sheer. Benagil is approximately halfway. You must take your camera if you go on the hike!

Benagil Cave is a huge attraction. It is stunning and can be accessed on boat trips or by kayak. You will be amazed at the size of it. Some people even take a stand-up paddleboard to see it, a water sport that is incredibly popular on the Algarve.

There are several stunning and challenging golf courses close by, including Vale de Milho Golf 2.5 km from the villa and Pestana Gramacho Golf 4.5 km away. Faro airport is 62km away.
